Only items from the cafeteria that are commercially sealed and unopened are allowed at the table. No food brought from home is allowed.

Annual SHAC Report to Board of Trustees-at the end of each school year the meeting agendas and minutes are provided to the School Board for their review. If a committee member wants to attend the next Board meeting and present the minutes and report on SHAC activities for this school year please let Dixie know.

This was the last scheduled meeting for 2023-2024 school year. The next meeting will be in September 2024-details to follow.
