Dear Saint Thomas' Community,

We are pleased to announce the formation of the Headmaster Search Committee. The committee has the responsibility of identifying and evaluating candidates to serve as the school's long-term Headmaster. Our focus will be to review prospective candidates and narrow the pool to semi-finalists and eventually finalists. The School Board makes the final decision regarding the successful candidate.

The Committee includes different constituencies within our school community among whom are members of the board, faculty and staff, parents of recent graduates, parents of current students, alumni, and vestry. See all committee members listed below.

We will be seeking a proven leader who embraces our mission and all that we cherish about Saint Thomas' – including academic excellence in a classical Christian environment. In addition, the ideal candidate will understand and protect our honored values and traditions while articulating a vision that will move our school into the exciting future we all know is possible.

As the search proceeds over the next few months, we will be communicating updates on our progress. Please keep us in your prayers as this important journey gets underway.

Respectfully,

The Headmaster Search Committee
