

Host an International Student

Dear Parents,

Our international students are in need of warm and nurturing host families to support them during their time at **Morris Catholic High School**. Please consider this enriching cultural exchange experience!

As a global education leader, Cambridge Network helps schools and students connect with resources to enhance diversity and foster academic success. Since 2009, Cambridge Network has been a leading educational consulting company in providing admissions, academic, and residential solutions to our network of over 200 high schools across North America.

Cambridge Network partners with **Morris Catholic** and we are seeking support to help expand our host family community. **We are in need of long-term host families who can be available to host our international students** as hosting opportunities will continue to arise throughout the school year and summer.

What are hosts responsible for?

- Speak English in the home
- 3 meals per day
- A private bedroom
- Transportation to and from school

What do hosts receive?

- Cultural exchange and lasting relationships
- Dedicated support staff and emergency support
- Host family training, webinars, and orientation
- Generous monthly stipend to offset costs

If you're interested in this opportunity please complete our [Inquiry Form](#), or contact us at HostFamily@cambridgenetwork.com.

If you know someone who might be a good fit for this opportunity, *we offer a **\$500** referral bonus for any referral who becomes matched with a student.* Use our [Host Family Referral Form](#) to share this opportunity with friends or family members.

Thank you for your consideration in joining our community!

Sincerely,

Cambridge Network
