2024-25 LCAP Actions

1.0 OBJECTIVES

1.1

Create, implement, and continually improve a district-wide plan for instructional programs, strategies, and assessment tools ensuring all learners achieve grade level proficiency in all core subject areas (Literacy, Language Arts, Math, Science, Social Studies, PE, and Electives).

1.2

Provide timely and effective differentiated instructional practices that monitor progress, inform teaching practices, and ensure student growth.

1.3

Collaborate as a Professional Learning Community to determine guaranteed viable curriculum, create common assessments, analyze results, and share and adjust instructional practices.

1.4

Refine and build commitment to fidelity of district-wide initiatives and ongoing professional development that support the teaching of content area standards and curriculum.

1.5

Deliver intentional targeted Multi-Tiered Systems of Support and interventions for all students to close the achievement gap through evidence-based instructional strategies and differentiated instruction.

1.6

Concurrent with instructional coherence, expand and create targeted innovative specialty programs across all schools in the district that cultivate critical and creative thinking by integrating problem-based learning opportunities to attract and retain students.

1.7

Establish a comprehensive district-wide arts program for all students.

LCAP Overview (Board Priorities)
