2018-2019 Cycle

Instructions: Please write your responses in the boxes below.

SCHOOL NAME: Chattahoochee High School

CONCEPT NAME: Expanded Internship/ Work Based Learning Opportunities

STRATEGIC INITIATIVE(S) (from new strategic plan): Student Achievement: Provide the students the tools, strategies and learning environments to build the essential skills necessary to pursue their paths of choice.

Data Analysis & Program Impact	
<p>1) To what extent was there a measurable increase in student outcomes, teacher instructional practices, and/or school climate and culture as a result of the RFF-supported initiative? Include quantitative data that specifically supports the continuing use of the RFF.</p>	<p>We have approximately 150 current students who participate in the work based learning program. Over the past four years, hundreds of our students have been able to work or intern. Students have commented that these jobs and internships have given them a competitive advantage over peers who did not participate in the program.</p>
Rationale for Continuing RFF	
<p>2) Were there unique challenges to implementing the RFF that you did not originally consider? How did you overcome this challenge? Describe any changes or adjustments that must be made to the original proposal for implementation during the 2018-2022 strategic plan cycle.</p>	<p>Expanding the work based learning program allows students to initiate their own opportunities. The flexibility will continue to increase overall student participation and expand the opportunities outside the classroom for students to explore interest and gain career awareness.</p>
Additional Considerations	
<p>3) What resources (human, operational, etc.) are needed to continue implementation of the RFF? How do you plan to provide these resources?</p>	<p>We need to continue to have a Work Based Learning Coordinator. We plan to continue to pay for this staffing position with the funds that we have used for this position in the past.</p>
