Instructions: Please write your responses in the boxes below.

SCHOOL NAME: Chattahoochee High School

CONCEPT NAME: Personal Fitness Waiver

STRATEGIC INITIATIVE(S)
(from new strategic plan): Student Achievement: 85% of graduates will take one of the following classes: AP, Dual Enrollment, or finish a CTAE Pathway

Data Analysis & Program Impact

1) To what extent was there a measurable increase in student outcomes, teacher instructional practices, and/or school climate and culture as a result of the RFF-supported initiative? Include quantitative data that specifically supports the continuing use of the RFF.	We have had over 200 students complete Personal Fitness waivers over the past 4 school years, giving them more opportunities to take other enriching academic and elective classes including AP, Dual Enrollment, and CTAE classes.

Rationale for Continuing RFF

2) Were there unique challenges to implementing the RFF that you did not originally consider? How did you overcome this challenge? Describe any changes or adjustments that must be made to the original proposal for implementation during the 2018-2022 strategic plan cycle.	Chattahoochee HS seeks to waive the Personal Fitness credit requirement for students who successfully participate in GHSA sanctioned sports and/or marching band at Chattahoochee. This waiver will also open one class period during one semester for students to have more educational opportunities such as taking additional AP, Fine Arts, Career Tech, and/or electives.

Additional Considerations

3) What resources (human, operational, etc.) are needed to continue implementation of the RFF? How do you plan to provide these resources?	We will maintain our current procedure that students follow to request the waiver.
