Milton High School Mission

Milton High School is dedicated to providing a safe and supportive community that values integrity and accountability along with academic excellence and positive relationships.

Milton High School Vision

We envision a school where students explore and thrive in academics, arts and athletics, while maintaining a balanced and healthy perspective. We will foster an environment where students are empowered through diverse opportunities and supported by invested faculty, staff, and parents.

Milton SGC Meeting Norms

The SGC created these meeting norms in order to foster an environment that would produce the best results for our students. Meeting norms are behavioral expectations that should be upheld by each SGC member.

1. Work efficiently for the good of all students
2. Create an atmosphere of respect and fairness
3. Maintain a united front to the public.
