Informational and Discussion Items:

1. Informational Item: None

2. Discussion Item: Principal's Update

- Our enrollment projection 1191 and we are slightly below that number, but there are some families that school already anticipated missing a few days.
- We technically have one ELA position vacant, but currently have a long-term sub who will move into a permanent position. School also has a teacher vacancy in our Severe and Profound SEC program. There are a couple of sec para positions open with candidates in mind.
- Our new schedule that includes advisement for 1st period which helps with late bus arrivals. This class is a great opportunity for community building. Student Success Skills lessons will take place during this time, along with teacher check ins and support for students to get organized by looking at assessment calendar and planning for upcoming due dates. Hopefully

this class also helps students feel that they have an adult in the building that cares about them.

- Friday will be a fun day for Hopewell to review PRIDE expectations, participate in team building activities, and attend a pep rally during Connections classes.
- M. LeMoynes is looking for clarification from the district to see if we will receive safety funds that SGC would approve like previous years. In past years we received about \$50,000.
- Late in the 2022-2023 school year the teacher who was hired to fill the half Spanish and half French allocations for the 2023-2024 school year decided to take a position somewhere else. Administration worked to hire another teacher who met the same qualifications and ended up hiring a full time Spanish teacher.

3. Discussion Item: Meeting Schedule 23-24

- 2nd Wednesday each month at 7:30 am in F102. In October it will be the 3rd Wednesday due to a teacher workday on the 2nd Wednesday that month.
