2. Discussion Item: Semester Action Plan Reflection

- S. Stephens attended the cross-council meeting and was able to gather some ideas. One of the ideas was shared from Webb Bridge – they are completing a service learning project where the SGC purchased book and integrated it with a service learning project. They are pairing up with a foundation to complete the project.
- SGC discussed that the semester action plan is similar to previous years and Hopewell is hoping to see some better results this year.
