Mr. Parker also advised the Council that the annual Perception Survey would be available for Parents on February 13, 2023. He asked that Council members promote the survey to the parents.

Chairperson Gail Crust discussed two proposals for SGC funds.

The first was from Leslie King requesting scooters to be used in her adaptive PE class. Because of the need for helmets and other safety concerns Mr. Sinco made a motion to table the discussion until we could hear back from the Risk Management department. Ms. Crust will be instructing Ms. King to present her request to that department for approval.

The second request was from Dr. Robinson asking for stamps to mail out postcards to all her students. Mr. Akinboro volunteered to purchase whatever she needed.

In the absence of Emily Lavretta, a printed copy of the Superintendent's Update was made available to the Council.

The meeting was adjourned at 8:25 AM.

The next meeting will be at Mr. Akinboro's MacDonald's restaurant at 7:30 AM.
