## Womens History Message from Principal

**March is Women's History Month** The Library of Congress, National Archives and Records Administration, National Endowment for the Humanities, National Gallery of Art, National Park Service, Smithsonian Institution and United States Holocaust Memorial Museum join in commemorating and encouraging the study, observance and celebration of the vital role of women in American history.

**March is also Reading Month** In honor of Dr. Seuss' birthday, March is designated as National Reading Month – a month to motivate Americans of all ages to read every day. Reading is fun and has many benefits, regardless of your age. Volunteer one day to come in and read to a class for 10 or 15 minutes.
