Dear Parent/Carer,

As the public examinations for Year 10, 11 and Year 13 students are fast approaching, we want to take a moment to remind you of the importance of these assessments and to encourage you to read our 'Exam Information for Students' and the other attached documents from JCQ.

These examinations are a significant milestone in your child's academic journey, and we understand that they can be a source of stress and anxiety for both students and their families. However, with the right support, we are confident that our students can achieve their full potential.

To ensure that our students are well-prepared for these exams, we have been working closely with them to provide additional resources and support, and we will continue to do so in the coming weeks.

Before the Easter holiday, we will share the confirmed individual exam timetables for your child. Please check the timetable carefully to ensure that you and your child know when their exams will take place.

We also urge you to take the time to read the documents attached, which provide important information on the rules and regulations governing these exams. It is essential that both you and your child are aware of these guidelines to ensure that the exams are conducted fairly and without any issues.

Thank you for your ongoing support, and we wish our students the very best of luck in their upcoming exams. Please do not hesitate to get in touch if you have any questions or concerns.

Yours sincerely,

Ms N Choudhury
Deputy Headteacher
