6. Report from Mrs. Lentz - SBAC & Bond Update

-New Problem Solving Sheet

- No more Trackers
- “Stop & Think” and “Reflection Sheet” are for Teachers to use first. Use these a few times before moving on to the next step. “Patterson Problem Solving Sheet” is the next step. The BIG next step after that is a Referral (these are rare).

-Google Folder - Public Access for parents

- Flyers, Problem Solving Sheets
- Suggestion: add a link to the folder to Patterson website

-Getting 3 new ChromeBook Carts from the Bond; 6th Grade has a CB Cart; PBC bought one CB Cart. Pulling 10 CBs from each of those Carts to make one more full Cart. That would make one Cart for each grade, except for Kindergarten which would use the iPads

-SBAC

- Links and Info will be moved to Patterson website by the end of the week
- Expected to be an hour shorter, due to removal of the Brief Writing section (now expected 2 hours)
- Will know schedule of when each grade will test after next week (but at least in late March)
