Principal Update-

Semester Action Plan: Fulton County governs itself on three “Big Rocks”: Relationships & Routines, Tier 1 instruction, and Interventions. Principal Harris would like to reduce suspension rate by 10% by the end of the year. He would also like to increase percentage of mastery for the Georgia Milestones in ELA & Math by the end of the semester. We will not have those results in time, so we will measure our success using unit tests. He would like to increase our Student Growth Percentile (SGP) by 65%. Every decision made by the SGC should be aligned with these “Big Rocks”.

Budget: SGC funds have been received. Our budget for the 2023-2024 year is \$46,390. Due to decrease in student enrollment at Langston Hughes high school, we lost several teachers and one counselor. Principal Harris feels we should use these funds to supplement the salary of one of the counselors we lost. He would like us to keep our current number of counselors at five. We will discuss this further at our next meeting.

Partnership with McDonald’s-Friday September 29, 2023, from 5:00 to 8:00 p.m., 20% of all proceeds will go to LHHS budget.
