- A. Telecommunication devices are not allowed to be used during instructional time, unless permitted by the teacher (electronic device violations will be considered classroom rules violations) or unless an emergency situation exists that involves imminent physical danger;
- B. Students will not use telecommunication devices in a manner that poses a threat to academic integrity, disrupts the learning environment, or violates the privacy rights of others;
- C. Students will not send, share, view or possess pictures, text messages, emails, or other material depicting sexually explicit conduct, as defined in [RCW 9.68A.011](#), in electronic or any other form on a cell phone or other electronic device, while the student is on school grounds, at school sponsored events or on school buses or vehicles provided by the district;
- D. When a school official has reasonable suspicion, based on objective and articulable facts, that a student is using a telecommunications device in a manner that violates the law or school rules, the official may confiscate the device, which will only be returned to the student's parent or legal guardian;

The scope of the search will be limited to the violation of which the student is accused. Content or images that violate state or federal laws will be referred to law enforcement;
- F. Students are responsible for devices they bring to school. The district will not be responsible for loss, theft or destruction of devices brought onto school property or to school sponsored events;
