Service Requirement: A foundational principle embraced at Cotter School is that each person is intrinsically good and is loved by God. This principle motivates us to serve others. Students in grades 7-8 are required to complete 10 hours of community service per year.

We will work to provide your student with his/her course preferences. Final decisions will be based on past performance, test scores, as well as teacher and administrator approval. Some courses may not be offered due to insufficient enrollment. In this event, a student's alternative electives will be used. Your student's final schedule will be sent home in May.

Please direct any course selection or academic questions to Mrs. Kathleen Klick at kklick@cotterschools.org.
