

THE WILDCAT WEEKLY

A Note from Dr. G

Volume 3 Issue 26

Superintendent's Corner

The Westchester County School Music Association All-County Band Concert took place at last weekend at New Rochelle High School. Congratulations to our talented students who represented Mount Pleasant at this year's concert. On Wednesday, thirteen students were inducted into Westlake's chapter of the National Council for the Social Studies Rho Kappa National Social Studies Honor Society. Thank you to Rho Kappa adviser Tricia Olivera and special guest speaker WHS teacher Patrick Henderson for celebrating Rho Kappa's 10th anniversary in Westlake and our students' accomplishments in social studies. To recognize Pi Day (3/14), WHS math teacher Teresa Barbuto incorporated some "irrational number" activities into the day's geometry lesson. March is National Athletic Training Month. Now that spring season has started, Westlake trainer Hilary Piccoli can be found outside with our student athletes every day. Make sure to say thank you when you see her. I look forward to seeing you all Monday night at the Visual Arts Festival Opening Reception! Finally, budget season is upon us and I will be presenting the Instructional Program at next week's Board of Education meeting. All are invited to attend.

Noticing the Good

More than 700 students from 40 Westchester and Putnam County high schools will showcase their graduate-level science research projects in a competitive poster venue at the 23rd Annual Regeneration - Westchester Science and Engineering Fair (WESEF) at Somers High School this Saturday. Please join us in wishing our 11 Westlake students good luck this weekend!

In Awe of the Paw - Behind the Scenes

Sean Gray, a Senior at WHS, designed and built the Beauty and the Beast set while managing the Set Crew members. This is one of many sets Sean has creatively built in his time at WHS. In addition, Sean has been in charge of the lighting system in the John S. Whearty Theater throughout his High School career. Additionally, he sets, prepares and works the lighting booth for all the musical productions at WHS. There are two more opportunities to see Beauty & The Beast at WHS. Tickets at <https://www.showtix4u.com/event-details/81570>
