2016-17 Post PUBLIC COMMENT FORM

INSTRUCTIONS: Use this document to summarize how the Council managed the 30-day Public Comment period, responded to any significant concerns raised by your school community, and voted on the final RFF. Attachments are optional.

Public Comment	
1) List the date that the Council posted the RFF proposal to the front of the school's main and SGC webpages as well as where it was placed within the school building.	November 1, 2016
2) List the date(s) and location(s) of public meetings during which the School Governance Council solicited oral comments.	November 1, 2016
3) Describe the process used to solicit written comments on the RFF proposal.	Beginning November 1, 2016 we posted the RFF proposal to the front of our school website. In addition, we used our Tiger Connection and FB to post the link to a Survey Monkey in which public comment could be left.
4) Describe any significant concerns raised during the Public Comment period. Explain how the Council has addressed these concerns.	The public did not raise any significant concerns during the public comment period. The results were clearly in favor of continuing with three full release days for professional development with a vote of 60% to 40%. However, the council discussed ways to enhance the number of responses next time. To enhance the number of responses, a physical copy in Spanish will be sent to all native speakers of Spanish.
Council Vote	
5) List the date that the Council voted on the RFF and the number of affirmative votes from all voting members.	December 6, 2016- Vote 9 affirmative votes
