Your healthcare finances are at your fingertips with the Peak One Administration mobile app!

The Peak One Administration mobile app provides ultimate convenience and 24/7 access directly from your tablet or mobile device.

Features

Ask Emma – the industry's first voice-activated intelligent assistant that provides answers to questions you may have about your benefit account

Access accounts – check balances, view transaction history, and more.

Manage claims – submit new claims, upload receipts, and check claims status.

Track and pay expenses – track medical claims and other expenses, plus pay bills electronically.

Access cards – manage card details, access your PIN, and initiate card replacement for lost or stolen cards.

Receive alerts – view important account messages.

Update your profile – update personal information, including your email and mobile phone.

Get Started Today!

Simply search Peak1 Admin in iTunes or Google Play store, select "Install", and log in online if previously registered or register. Registration requires an employee ID (generally your SSN), employer ID/benefit debit card number, and valid email address to begin.

Easily manage your healthcare benefit account **from your mobile phone!**

Keeping up with your healthcare benefit accounts just got easier. You can now receive real time information and important updates in the palm of your hand – via text message. Simply register your mobile device and start receiving important and highly useful messages to help manage your healthcare benefit account(s). These messages include:

- Important plan date reminders, such as the last date to submit claims
- Account profile change notifications & confirmations
- Deductible status updates
- Your account balance – you can simply text 'BAL' to 97487 to receive a real time account balance
- And more!

Get started today:

Start receiving text message notifications today. Follow these simple steps to register and enable your mobile device:

1. Log in to your Peak One Administration online account portal. Click on the gear icon in the homepage header to view your communication settings. Click the 'Add Number' button underneath the phone registration status section.
2. Enter your phone number and click 'Submit' after reading and accepting the terms and conditions.
3. You will receive a text message prompting you to complete your registration by replying. Simply reply to this message with "Y." Your registration process is now complete, and your mobile device will start receiving text message alerts.

The screenshot shows a web interface with a header 'Email Address' and a text input field. Below it, there is a section titled 'Phone Registration Status' with a blue button labeled '+ Add Number'.

The screenshot shows a form titled 'Add Mobile Number'. It includes a 'Mobile Number' field with a dropdown arrow. Below the field, there is a note: 'Message and Data Rates may apply. Message frequency is based on use.' A section titled 'Carriers include:' lists various carriers with their logos: at&t, T-Mobile, verizon, lltel, Google Voice, cricket, US Cellular, boost, metroPCS, Cincinnati Bell, Sprint, and TRACFONE. At the bottom, there is a checkbox for 'I accept Terms and Conditions and Privacy Policy' and two buttons: 'Submit' and 'Cancel'.
