

Plymouth Center School

Challenge · Inspire · Prepare
Principal Kimberly Loveland

Dear PCS families,

February 2024

Through the generosity of the PCS PTA, author Alyssa Capucilli will be visiting Plymouth Center School on Wednesday, May 22, 2024. Ms. Capucilli writes fiction and nonfiction books but she is best known for her beloved Biscuit series. During her visit she will talk about how story ideas are born, and how even the youngest child can create a book. Her presentation also includes spirited, funny, interactive storytelling.

We will be participating in several school-wide activities in mid-April centered around Ms. Capucilli's books. In anticipation of her visit, we will be holding a book sale so students can preorder books and have them autographed. You will receive more information regarding this in March.

We will also be hosting a reading incentive program in April and May to encourage students to continue to read at home. This program will track the minutes students read each evening. An additional letter will be sent home explaining this in detail in the coming weeks.

In conjunction with the exciting author visit, we will also be having a certified therapy dog visit the school twice a week. Students in Kindergarten, Grade 1, and Grade 2 will have the opportunity to read to the dog for 10 minute increments. The therapy dog will visit the PreK classrooms and the teachers will read to the students and the dog. All students that would like to participate will have an opportunity to do so. **If you do NOT want your child reading to the therapy dog, please fill out the form below and return it to school.**

We are looking forward to the author's visit and school wide activities as well as uniting the school through reading!

Sincerely,

Kim Loveland
Principal

I do not want my child _____ reading to the therapy dog.
(Child's first/last name)

Parent Name _____ Parent Signature _____

Teacher Name _____ Grade _____
