Introduction/Purpose of Solicitation

The Wiseburn Unified School District, home to a student population of 2500 across three elementary schools and one middle school, is seeking proposals for the provision of nutrition program services. This RFP aims to identify a qualified vendor capable of delivering a comprehensive program that prioritizes the nutritional health and well-being of all Wiseburn students.

The District's primary objective is to secure a partner committed to nutritional excellence, ensuring that meals meet or exceed the standards set by the U.S. Department of Agriculture and other relevant authorities. The selected vendor will provide a diverse and high quality menu accommodating various dietary preferences and restrictions, promoting inclusivity and addressing cultural and health considerations.

Operational efficiency is paramount, as the chosen vendor will be responsible for managing the logistics of serving breakfast and lunch across multiple locations. Timely delivery and the maintenance of meal quality are critical aspects of this partnership. Financial competence is also a key consideration, with an emphasis on proposing a cost-effective and financially sustainable nutrition program that optimizes resources without compromising quality.

In addition, the District seeks a collaborative partner which includes fostering open communication, gathering feedback, and continuously improving the nutrition program based on the evolving needs of the District's student community.

Interested parties are invited to submit comprehensive proposals addressing the outlined objectives. The Wiseburn Unified School District eagerly anticipates partnering with a dedicated and innovative nutrition services provider to positively impact the nutritional health and well-being of all Wiseburn students.

The purpose of this Request for Proposal (RFP) is to enter into a fixed-price contract with a food service management company (FSMC) that will provide Wiseburn Unified School District (hereinafter referred to as the school food authority [SFA]) with food service management assistance for their food service operation. The FSMC will provide services to the SFA as described in the Scope of Work in the Model Fixed-price Contract.

The SFA's food service goals are to provide nutritious, high-quality meals to students and participants in **the National School Lunch Program and the School Breakfast Program**, to accommodate special diets where medically necessary, improve the nutritional quality of meals, and maintain a financially viable food service program (Title 7, *Code of Federal Regulations* program [7 CFR, sections 210.10 and 220.8, if applicable]).

General food service goals are to:

- Provide an appealing and nutritionally sound program for students as economically as possible
- Stimulate both student and adult participation in the program through improved relations with students, staff, and the community by creating awareness of the direct correlation between adequate nutrition for students and their ability to learn

- Increase participation at all levels of the food service program by improving meal quality, seeking student and parent input, offering menu variations, and improving planning
- Maintain reasonable prices for students and adults participating in the food service program
- Maintain student and staff morale at a high level

All procurement transactions are to be conducted in a manner that provides maximum open and free competition consistent with Title 2, *Code of Federal Regulations (2 CFR)*, Section 200.319(a)(1-7). The SFA must share with every Respondent all information necessary for submitting a competitive proposal. The release of this RFP, evaluation of Respondents, and award of a contract will use competitive bidding standards established in all applicable California state and federal statutes and regulations.

Outlined below are competitive bidding basic standards:

- The purpose of soliciting competitive proposals is to secure public objectives in the most effective manner and avoid the possibilities of graft, fraud, collusion, etc.
- The SFA released this RFP to benefit the SFA and not the Respondents.
- Fulfillment of RFP specifications is based on full and fair competition and acceptance by the SFA of the most responsive and responsible Respondent to the SFA's requirements, as determined by the SFA when evaluating proposals based on the criteria contained in the RFP.
- The RFP must provide a basis for full and fair competition among Respondents to a common standard, free of restrictions that tend to stifle competition.

The above four points are for illustrative purposes only, and do not include all California state and federal requirements to achieve competitive bidding.

To respond to this RFP, interested FSMCs must present evidence of experience, ability, and financial standing necessary to meet the requirements stated in this RFP. The SFA will measure this evidence by scoring the proposals, using a point system that will rank each proposal from highest to lowest, to determine which proposals they will consider for the award of a contract.

To be competitive in this solicitation, the Respondent must:

- Carefully read the entire RFP, attachments, exhibits, addenda, and SFA responses to questions before submitting a proposal
- Ask appropriate questions or request clarification before the deadline in the RFP
- Submit all required responses by the required deadlines
- Follow all instructions and requirements of the RFP thoroughly and appropriately

If a Respondent discovers any ambiguity, conflict, discrepancy, omission, or other errors in this RFP, the Respondent shall immediately notify the SFA of the error in writing and request clarification or a modification of the RFP. If the Respondent fails to notify the SFA of the error prior

to the date for submission of proposals, and is awarded the contract, the Respondent shall not be entitled to additional compensation or time by reason of the error or its later correction.

General Instructions for Respondents

1. Prepare proposals simply and economically. Provide a straightforward concise description of the Respondent's capability to satisfy the SFA's requirements. Emphasis should be placed on completeness and clarity of content.
2. Submit proposals for the performance of all the services described within this RFP. The SFA will not consider any deviation from these specifications and will reject such proposals.
3. The SFA may reject a proposal if the proposal is conditional or incomplete, deemed nonresponsive, or if it contains any alterations of form or other irregularities of any kind. The SFA may reject any or all proposals or waive any immaterial deviation in a proposal. The SFA's waiver of an immaterial deviation shall in no way modify the RFP document or excuse the Respondent from full compliance with all other requirements if awarded the contract. The SFA may reject a proposal if it is deemed overly responsive or contains language that provides any added value not requested in the RFP.
4. Respondents are responsible for the costs of developing proposals, and shall not charge the SFA for any preparation costs.
5. The SFA asks Respondents that do not intend to submit a proposal to notify the SFA in writing.
6. Respondents may modify their proposal after submission by withdrawing the original proposal and resubmitting a new proposal prior to the submission deadline. The SFA will not consider proposal modifications offered in any other manner, either oral or written.
7. The Respondent shall include a 21-Day Cycle menu for all programs to be served (7 *CFR*, sections 210.16[b][1] and 220.7[d][2][i], if applicable).
8. Respondents may withdraw their proposal by submitting a written withdrawal request to the SFA, signed by the Respondent or their authorized agent, through the contact person named in the "Contact Information" provided on page iv of this RFP. Thereafter, a Respondent may submit a new proposal prior to the proposal submission deadline. Respondents may not withdraw their proposal without cause after the proposal submission deadline.
9. The SFA may modify the RFP prior to the date given for submission of proposals by posting an addendum on at [the Wiseburn Unified School District main office located at 201 N Douglas St. El Segundo, CA 90242](#) and on the district website at wiseburn.org.
10. The SFA will notify Respondents so they can obtain any addenda from the SFA's web site, or request it by email or postal mail.
11. The SFA reserves the right to reject all proposals for reasonable cause. If the costs of all proposals are excessive, the SFA is not required to award a contract.
12. The SFA will not consider more than one proposal from an individual, firm, partnership, corporation, or association under the same or different names. Reasonable grounds for

believing that any Respondent has submitted more than one proposal for work contemplated herein will cause the SFA to reject all proposals submitted by the Respondent. If there is reason to believe that collusion exists among the Respondents, the SFA will not consider any of the participants of such collusion in this or future solicitations.

13. The SFA will not consider a joint proposal submitted by two or more entities.
14. Additional charges for regular or express delivery, drayage, parcel post, packing, cartage, insurance, license fees, permits, or for any other purpose shall be included (and separately identified) in the proposal.
15. All proposals shall include the forms provided as attachments to this RFP. Respondents may copy these forms. A proposal is considered responsive if it follows the required format, includes all attachments, and meets all deadlines and other requirements outlined in this RFP.
16. The SFA shall not accept proposals after the submission deadline specified in the RFP and shall return the unopened proposals to the respective Respondents. The SFA will not consider late proposals under any circumstances.
17. Respondents are responsible for examining the entire RFP package, seeking clarification for any item or requirement that may not be clear to them, and checking all responses in their proposal for accuracy before submitting it.
18. Respondents may submit their questions regarding the information presented in this RFP to **Jason Hasty, Assistant Superintendent and CBO** in writing by postal mail at 201 N. Douglas St., El Segundo, CA 90242 or e-mail at jhasty@wiseburn.org no later than **March 25, 2024**. The SFA will answer all questions received by the deadline in writing without exposing the query source. This will be the sole process for asking and answering questions regarding this RFP. Respondents may not contact SFA employees directly to ask questions.
19. SFA representatives reserve the right to inspect a Respondent's other food service operations prior to any award of a contract.
20. The SFA reserves the right to negotiate the final terms and conditions of the contract, which may differ from those contained in the proposal, provided the SFA considers such negotiation to be in its best interest. Any change in the terms and conditions must not create a material change, which is any alteration or modification to the original terms stated in the RFP that would have resulted in different proposals from all respondents. A material change will require the SFA to rebid the contract.
21. Respondents shall submit one paper copy and one copy in digital format (e.g., in an attachment via email, on a dropbox, or via Google Drive.).
 - a. The Respondent must ensure the digital copy is complete and inclusive of all materials contained in the paper copy. If there is an inconsistency between the paper and digital copies, the paper copy will take precedence.

In the Final Rule, the following definitions are established:

1. **School Nutrition Program Director.** The school nutrition program director is any individual directly responsible for the management of the day-to-day operation of school food service for all participating schools under the jurisdiction of the school food authority.
2. **School Nutrition Program Manager.** The school nutrition manager is any individual directly responsible for the management of the day-to-day operation of school food service for a participating school(s).
3. **School Nutrition Program Staff.** School nutrition program staff are those individuals, without managerial responsibilities, involved in day-to-day operations of school food service for a participating school(s).

The Final Rule establishes that these definitions apply to the function/role rather than the specific title within the school food service structure, and that the definitions apply whether or not the school food service is operated by an FSMC. Therefore, as of the effective date of this contract, the minimum professional standards established by the Final Rule, and described therein, shall apply to FSMC staff performing any of the duties described above.

C. Fees

1. Fixed-price Contracts

The SFA will pay the FSMC at a fixed rate per meal. The fixed rate per meal includes all fees and charges indicated in the Schedule of Fees (Exhibit B) of this Contract. The SFA must determine, and the FSMC shall credit the SFA for, the full value of U.S. Department of Agriculture (USDA) Foods. The FSMC's fixed-price invoice will be fully compliant with procurement requirements for the National School Lunch, School Breakfast, and Special Milk Programs, set forth in 7 *CFR*, parts 210, 215, and 220, and the USDA Food and Nutrition Service (FNS) Final Rule issued Wednesday, October 31, 2007. The FSMC shall take discounts, rebates, and other credits into account when formulating their prices for this fixed-price contract (Title 2, Code of Federal Regulations (2 *CFR*), Section 200.406[a]).

2. Payment Terms

The FSMC shall submit **monthly** invoices by **the first Friday of each month** of the following month that reflect all activity for the previous **month**. The FSMC must submit detailed cost documentation **monthly** to support all charges to the SFA. Charges and expenses are included in the Schedule of Fees (Exhibit B). All costs, charges, and expenses must be mutually agreeable to the SFA and the FSMC, and must be allowable costs consistent with the cost principles in 2 *CFR*, Part 200, as applicable. The SFA will pay invoices submitted by the FSMC within **30** days of the invoice date. The SFA will pay invoices received by its accounting department by the **first Friday of the subsequent month**, if the invoices pass the SFA's audit. The SFA will notify the FSMC of invoices that do not pass audit, which the SFA will not pay until the invoices have passed audit, with no penalty accruing to the SFA.

3. Interest, Fines, Penalties, Finance Charges, Income and Expenses

Interest, fines, penalties, finance charges, income and expenses that may accrue under this contract are not allowable expenses to the nonprofit school food service (cafeteria fund) (2 *CFR*, Section 200.441). The SFA is prohibited from paying unallowable expenses from the SFA's cafeteria fund.

4. Spoiled or Unwholesome Food, Food Not Meeting Detailed Food Component Specifications or Contract Requirements.

The SFA shall make no payment to the FSMC for food that, in the SFA's determination, is spoiled or unwholesome at the time of delivery, does not meet detailed food component specifications as developed by the SFA for the meal pattern, or does not otherwise meet the requirements of this Contract (7 *CFR*, Section 210.16[c][3]).

The SFA shall make no payment to the FSMC for meals that, in the SFA's determination, are spoiled or unwholesome at the time of delivery, do not meet detailed food component specifications as developed by the SFA for the meal pattern, or do not otherwise meet the requirements of this Contract (7 CFR, Section 210.16[c][3]).

D. Contract Cost Adjustment

The contract price (which can include General and Administrative Expense and Management Fees) may be increased on an annual basis by the Yearly Percentage Change in the Consumer Price Index for All Urban Consumers, as published by the U.S. Department of Labor, Bureau of Labor Statistics, Food Eaten Away from Home **Los Angeles**. The **January** CPI value will be used as a representation of the change in CPI. Such increases shall be effective on a prospective basis on each anniversary date of this Contract and will be allowed only if approved in advance by the SFA. CPI Fee increases for the upcoming Contract renewal year must be submitted to the SFA. Of note, the CPI fee increases should be applied to individual meal or unit costs.

The renegotiation of price terms under this Contract is permitted only upon the occurrence of unpredictable, unexpected conditions beyond the control of both parties. If those conditions create a significant and material change in the financial assumptions upon which the price terms of this contract were based, then those price terms so affected may be renegotiated by both parties. Renegotiation of price terms under such conditions must be mutual and both parties must agree on any changes in price terms. Any adjustments so negotiated and agreed upon must accurately reflect the change in conditions. The occurrence of contingencies that are foreseeable and predictable, but not certain, should be calculated into the defined price terms, to the extent possible, with the goal of minimizing the need for renegotiation of price terms during the term of the Contract. Substantive changes of the Contract will require the SFA to rebid the Contract.

E. Availability of Funds

Every payment obligation of the SFA under this Contract is conditioned upon the availability of funds appropriated or allocated for the payment of such obligation. The SFA may terminate this Contract at the end of the period for which funds are available if funds are not allocated and available for the continuance of this Contract. In the event the SFA exercises this provision, no liability shall accrue to the SFA and the SFA shall not be obligated or liable for any future payments or for any damages resulting from termination under this provision.

F. Timeliness

Time is of the essence in this Contract.

G. Approval

This Contract has no force or effect until it is signed by both parties and is approved by the CDE (7 *CFR*, Section 210.19[a][5]).

H. Amendment

No amendment or variation of the terms of this Contract shall be valid unless made in writing, signed by both parties, and approved by the CDE. Any oral understanding or agreement not incorporated into the Contract in writing and approved by the CDE is not binding on either party (7 *CFR*, Section 210.19[a][5]).

I. Substantive Changes to Contract

Any change to this Contract that results in a material change or any proposed renewals of this Contract may, at the determination of the CDE, either void this Contract or require the SFA to rebid the Contract. Following are examples of substantive changes that could require the SFA to rebid the Contract:

- The addition of a program
- A major shift in responsibilities for FSMC or SFA staff

J. Subcontract/Assignment

No provision of this Contract shall be assigned or subcontracted without prior written approval of the SFA. If subcontracts are let, the FSMC should have taken steps to contract with small and minority businesses, women's business enterprises, and labor surplus area firms when possible.

K. Written Commitments

Any written commitment by the FSMC relative to the services herein shall be binding upon the FSMC. Failure of the FSMC to fulfill any such commitment shall render the FSMC liable for damages due to the SFA. Such written commitments include, but are not limited to:

- Any warranty or representation made by the FSMC in any publication, drawing, or specifications accompanying or referred to in the proposal pertaining to the responsiveness of the proposal
- Any written notifications, affirmations, or representations made by the FSMC in, or during the course of, negotiations that are incorporated into a formal amendment to the proposal

L. Trade Secrets/Copyrights

The FSMC and SFA shall designate any information they consider confidential or proprietary—including recipes, surveys and studies, management guidelines, operational manuals, and similar documents—that the SFA and FSMC regularly use in the operation of their business or that they develop independently during the

course of this Contract. Information so designated and identified shall be treated as confidential by the FSMC and the SFA, and the FSMC and the SFA shall exercise the same level of care in maintaining the confidences of the other party as they would employ in maintaining their own confidences, unless disclosure is otherwise required under the law. All such materials shall remain the exclusive property of the party that developed them and shall be returned to that party immediately upon termination of this Contract. Notwithstanding, the federal awarding agency reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use, and authorize others to use the work for federal purposes (7 *CFR*, Section 200.315[b]).

M. Severability

Should any provision(s) of this Contract be declared or found to be illegal, unenforceable, ineffective, and/or void, then each party shall be relieved of any obligations arising from such provision(s). The balance of this Contract, if capable of performance, shall remain and continue in full force and effect.

N. Counterparts

This Contract may be executed in counterparts, each of which shall be deemed an original, but all of which together will constitute one and the same instrument.

O. Silence/Absence/Omission

Any silence, absence, or omission from the Contract specifications concerning any point shall mean that only the best commercial practices are to prevail. Only those materials (e.g., food, supplies, etc.) and workmanship of a quality that would normally be specified by the SFA are to be used.

P. Indemnification

The FSMC shall indemnify and hold harmless the SFA, or any employee, director, agent, or Board Member of the SFA, from and against all claims, damages, losses, and expenses (including attorney's fees and court costs incurred to defend litigation), and decrees or judgments whatsoever arising from any and all injuries, including death or damages to or destruction of property resulting from the FSMC's acts or omissions, willful misconduct, negligence, or breach of the FSMC's obligations under this Contract by the FSMC, its agents, employees, or other persons under its supervision and direction.

The FSMC shall not be required to indemnify or hold harmless the SFA from any liability or damages arising from the SFA's sole acts or omissions.

Q. Sanctions

If the FSMC fails to perform the contract terms, the following penalties may be imposed:

- FSMC will be required to provide in writing to the SFA how they will ensure future contract compliance
- Continued nonperformance will result in termination of this contract
- FSMC may be prohibited from bidding on future contracts with the SFA

List other sanctions that the SFA and their legal counsel deem appropriate.

R. Breach of Contract

For the breach of the Contract and associated benefits:

If the FSMC causes the breach, the FSMC assumes liability for any and all damages, including excess cost to the SFA in procuring similar services, and is liable for administrative, contractual, and legal remedies, as applicable.

S. Penalties

Cost resulting from the SFA's violations, alleged violations of, or failure to comply with federal, state, tribal, local, or foreign laws and regulations are unallowable, except when incurred as a result of compliance with specific provisions of the federal award, or with prior written approval of the federal awarding agency (2 *CFR*, Section 200.441).

T. Force Majeure

1. Neither party shall be liable to the other for delay in, or failure of, performance nor shall any such delay in, or failure of, performance constitute default if such delay or failure is caused by force majeure. Force majeure means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Force majeure may include, but is not restricted to, acts of God, the public enemy, acts of the state in its sovereign capacity, fires, floods, power failure, disabling strikes, epidemics, quarantine restrictions, and freight embargoes.
2. Force majeure does not include any of the following occurrences:
 - Late delivery of equipment or materials caused by congestion at a manufacturer's plant or elsewhere, or an oversold condition of the market
 - Late performance by a subcontractor, unless the delay arises out of a force majeure occurrence
 - Inability of either the FSMC or any of its subcontractors to acquire or maintain any required insurance, bonds, licenses, or permits

3. If either party is delayed at any time in the progress of work by force majeure, the delayed party shall notify the other party in writing of such delay, as soon as practicable and no later than the following work day or the commencement thereof, and shall specify the causes of such delay. Such notice shall be delivered by hand or sent by postal mail with a certified return receipt requested and shall make a specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The time for completion shall be extended by contract amendment, as long as the amended period does not violate 7 *CFR*, Section 210.16(d).
4. Any delay or failure in performance by either party caused by force majeure shall not constitute default, nor give rise to any claim for damages or loss of anticipated profits.

U. Nondiscrimination

Both the SFA and FSMC agree that no child who participates in the National School Lunch Program (NSLP), School Breakfast Program (SBP) will be discriminated against on the basis of race, color, national origin, age, sex, or disability. State agencies and SFAs shall comply with the requirements of Title VI of the Civil Rights Act of 1964; Title IX of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975; Department of Agriculture regulations on nondiscrimination (7 *CFR*, parts 15, 15a, and 15b); and FNS Instruction 113-1 (7 *CFR*, Section 210.23[b]).

V. Compliance with the Law

The FSMC shall comply with all laws, ordinances, rules, and regulations of all applicable federal, state, county, and city governments, bureaus, and agencies regarding purchasing, sanitation, health, and safety for the food service operations and shall procure and maintain all necessary licenses and permits. The SFA shall cooperate, as necessary, in the FSMC's compliance efforts.

The FSMC shall comply with all applicable federal regulations in 2 *CFR*, parts 200 and 400 and 7 *CFR*, parts 210 (NSLP), 220 (SBP), 245 (Determining Eligibility for Free and Reduced Price Meals and Free Milk in Schools) as applicable, 250 (Donation of Foods for Use in the United States, its Territories and Possessions and Areas Under its Jurisdiction), USDA FNS Instructions and policy, federal laws and regulations, California *Education Code (EC)*, and California laws and regulations, where applicable.

W. Choice of Law

This Contract shall be construed under the laws of the state of California, where applicable, without giving effect to the principles of conflict of laws. Any action or proceeding arising out of this Contract shall be heard in the appropriate courts in California.

X. Advice of Counsel

Each party acknowledges that, in executing this Contract, such party has had the opportunity to seek the advice of independent legal counsel and has read and understood all of the terms and provisions of this Contract.

III. Relationship of the Parties

- A. The FSMC's relationship with the SFA will be that of an independent contractor and not that of an employee of or supervisor for the SFA. The FSMC will not be eligible for any employee benefits, nor will the SFA make deductions from payments made to the FSMC for taxes, all of which will be the FSMC's responsibility. The FSMC agrees to indemnify and hold the SFA harmless from any liability for, or assessment of, any such taxes imposed on the SFA by relevant taxing authorities. The FSMC will have no authority to enter into contracts that bind the SFA or create obligations on the part of the SFA.
- B. When the SFA is a public school district or program operated by the county Office of Education, the FSMC, as an independent contractor, shall have no authority to supervise food service classified personnel operating the NSLP, SBP, or Afterschool Meal Supplements (AMS) under the NSLP (*EC* Section 45103.5).

- C. All services to be performed by the FSMC will be as agreed between the FSMC and the SFA. The FSMC will be required to report to the SFA concerning the services performed under this Contract. The SFA shall determine the nature and frequency of these reports.
- D. The SFA is the responsible authority, without recourse to USDA or CDE, for the settlement and satisfaction of all contractual and administrative issues arising in any way from this Contract. Such authority includes, but is not limited to, source evaluation, protests, disputes, claims, or other matters of a contractual nature.

IV. Food Service Program

A. Food Service Management Company Responsibilities

- 1. The FSMC will not directly or indirectly restrict the sale or marketing of fluid milk at any time or in any place on school premises or at any school-sponsored event (7 *CFR*, Section 210.21[e]).
- 2. The FSMC shall have state or local health certification for any facility outside the school in which it proposes to prepare meals and the FSMC shall maintain this health certification for the duration of the contract (7 *CFR*, Section 210.16[c][2]).

B. School Food Authority Responsibilities

- 1. The SFA shall ensure that the food service operation is in conformance with the SFA's Permanent Single Agreement with the CDE and will monitor the food service operation through periodic on-site visits (7 *CFR*, sections 210.16[a][2] and 210.16[a][3]).
- 2. The SFA retains control of the quality, extent, and the general nature of its food service; the prices children are charged for meals (7 *CFR*, Section 210.16[a][4]), and a la carte prices. The SFA may not contract with the FSMC to provide only nonprogram food (e.g., a la carte and adult meals) unless the FSMC offers free, reduced-price, and paid reimbursable lunches to all eligible children (7 *CFR*, Section 210.16[a]).
- 3. SFAs with more than one school shall perform no less than one on-site review of the lunch counting and claiming system employed by each school under its jurisdiction. The on-site review shall take place prior to February 1 of each school year. Further, if the review discloses problems with a school's meal counting or claiming procedures, the SFA shall ensure that the school implements corrective action and, within 45 days of the review, conduct a follow-up on-site review to determine that the corrective action resolved the problem. Each on-site review shall ensure that the school's claim is based on the counting system authorized by

the CDE under 7 *CFR*, Section 210.7(c) and that the counting system, as implemented, yields the actual number of reimbursable free, reduced-price, and paid lunches respectively, served for each day of operation (7 *CFR*, Section 210.8[a][1]).

4. The SFA shall retain responsibility for developing the meal pattern for students with disabilities, when their disability restricts their diet, and for those students without disabilities who are unable to consume the regular lunch because of medical or other special dietary needs (7 *CFR*, Section 210.10[m]).
5. The SFA shall retain signature authority for the food services application, agreements, Free and Reduced-Price Policy Statement, monthly Claim for Reimbursement, reports, program renewal, the verification of applications, letters to households, and all correspondence to the CDE relating to the food service program (7 *CFR*, Section 210.16[a][5]).
6. The SFA shall retain signature authority and be responsible for all contractual agreements entered into in connection with the food service program (7 *CFR*, Section 210.21).
7. The SFA shall be responsible for the establishment and maintenance of the free and reduced-price meals eligibility roster (*EC* Section 49558).
