

Eureka Math

Trainings

Study

Closely examine the development of mathematical concepts, instructional strategies, and assessment within a Eureka Math Module.

Plan

Learn a step-by-step process to customize and deliver Eureka Math lessons, fine-tuning them to meet the needs of your students.

Teach

Prepare for the beginning of your school year by planning at the module, topic, and lesson levels.

1 Day Training
8:30am - 3:30pm
