LEARN | LEAD | SERVE

Dear Students & Families,

I want to thank our students for their continuous effort and engagement. Father Bazell's homily this week spoke about resetting ourselves even if we fall off the path. It's a great reminder to us all and I encourage us in these efforts. Congratulations to our Fine Arts Department for their exceptional efforts and achievements. Our band and choir had strong performances this week, showcasing the talent and hard work of our students and staff. Their dedication and passion for the arts have brought immense pride to our school. Looking ahead, we have an exciting opportunity to support our Theatre Department. I encourage everyone to come out this weekend and enjoy the spring musical. It promises to be a fantastic showcase of our students' talents and the culmination of many hours of dedication.

As we transition into the fourth quarter, I want to remind our students of the importance of starting strong. The final quarter is a crucial time to solidify your achievements and set the tone for the end of the school year.

Lastly, your feedback is invaluable to us. It helps us understand what we're doing well and where to improve. Please take a moment to complete this survey using the following link: <https://eprovesurveys.advanced.org/surveys/#/action/249068/24991>. Your engagement and feedback are crucial in helping us create the best possible environment for our students.

Thank you for your ongoing support and involvement in our school community.

God Bless & Go Cavs!
Ronald Steele, Principal
