## August SGC Meeting Exercise: Building Empathy for Our Users

<b>Focus:</b>	Community
<b>Purpose/Outcome:</b>	Community Collaboration: Teachers, Staff, Students, Parents and Community.
<b>Time:</b>	15 minutes
<b>Facilitator:</b>	Elected Chair or Vice Chair
<b>Protocol:</b>	<ol style="list-style-type: none"> <li>1. Facilitator presents opening question: What changes have you experienced during the outbreak of COVID19 and how have they made you feel?</li> <li>2. Members take 60 seconds to quietly reflect.</li> <li>3. The facilitator opens the floor for members of the SGC to share their experiences. (3-4 members volunteer to share their experiences.)</li> <li>4. The facilitator presents this closing question for reflection until the September meeting: Think about how these experiences impact you. How can we use our work this year in SGC to support our school's community?</li> <li>5. The facilitator closes with this idea for the SGC's focus for the 20-21 school year: "As we understand and empathize with our community, we can further our work as an SGC and support our school's community aligning these ideas to our strategic plan goals."</li> </ol>
<b>Next Steps:</b>	<p>Add this empathy reflection to the September agenda to allow members to share ideas of future support the SGC can provide our community.</p> <p>Discussion points can be added to evidence of progress on your strategic plan monitoring tool.</p>
