Notes from the Governance and Flexibility Team

** What is Changing? In order to support our schools with filling their School Governance Councils before their first meeting, changes to the staffing timeline have been implemented. We are preparing for the new year by filling appointee staff and community member spots by May.

*** On July 31, 2020 all Fulton schools received \$30,000 to be spent by School Governance Councils on innovative measures towards achieving strategic outcomes. These Charter Dollars **must be spent this year** in accordance with the FCS expenditure guidelines and are subject to the same restrictions as other funds in your cost center. In addition, any purchase(s) made using Charter Dollars must be publicly voted on by your School Governance Council and recorded in the [Charter Dollar Expenditure Form](#)
