## NOTES:

**In attendance:** Dr. Rako Morrissey, Laureen Wagner, Kristin Pujals, Rachel Noto, Angelique Hayes, Gina Severino, Nina Kosakoski, Liz Pate,

**Agenda approved:** Pujals, Hayes

**August Minutes approved:** Pujals, Hayes

**Public Comment Form to complete:** Dr. Morrissey shared that the link will be shared with us allowing view but so far there have been no comments added from the public.

**Charter fund expenditure ideas for SY22-** Dr. Morrissey reviewed the \$40k available to SGC from the Charter Fund towards expenditures that fulfill the Four Pillars. Ideas submitted during the meetings as outlined below:

1. Outdoor picnic tables and trashcans made of metal for class or café use.
2. Artwork, 3. Clocks around the building-- **Dr. Morrissey:**

1. Murals, inspirational banners, 2. solar picnic tables that allow devices to be plugged in during outdoor class, 3. Monitors throughout the building with looping announcements-- **Hayes**

1. Tables and benches outside, 2. Planters in the front of school, 3. Bulletin boards in common areas, 4. Outside set of steps on math side of building allowing access to track-- **Noto**

1. Art projects involving Ms. Betts, students and parent artists-- **Pujals**

Dr. Morrissey responded here that bulletin boards and planters are already planned and on their way and that she would check into the wiring capability for the monitors. Daniela will price out these possibilities, the suggestions would then be brought to council by Dr. Morrissey and what is approved will be brought back to our committee at next meeting.

#### **Community Involvement and Parent University:**

Dr. Morrissey indicated our parent and community members leaders need to take the lead in what is most beneficial to parents on the whole and to the community. In the past we learned that in-person activities were not that well attended due to many familial commitments after school but that an online offering that parents can refer to when their schedule allows is best. Liz Pate, Laureen Wagner and Nina will be prepared to share suggestions at next meeting.

Nina gave a brief explanation of last year's ideas to Mrs. Hayes.

#### **Staff Wellness Room:**

Dr. Morrissey indicated that the room was fully functional and available to all staff but room is locked due to the valuable equipment. A key is available in the office when staff wish to utilize the room.

Motion to adjourn approved: Pujals and Hayes
