Notes from the Governance and Flexibility Team

** All SGC Websites must be in compliance with Georgia Sunshine Laws by June 30th, 2020. The G & F team will send specific feedback regarding your school's website to the council to support you with any changes that need to be made. Please contact your facilitator for any extra support.

*** All newly elected and appointed SGC members must attend the virtual training. They may access it [here](#). The G & F team is working with IT to have a Fulton email created for any non-FCS members. In order to support our schools with filling their School Governance Councils before their first meeting, changes to the staffing timeline have been implemented. We are preparing for the new year by filling appointee staff and community member spots by May.

**** SGCs can meet in June to finish out the school year and finalize their reflection on the work that was done this year. It is encouraged that SGCs schedule their 1st meeting of the SY2021-2022 in July to set their norms and nominate the officers and committees for the year.
