ADDITIONAL NOTES:

Jodi called for motion to approve agenda: Motion to approve by Cara Hain 1st, Kristin Pujals 2nd

Jodi called for motion to approve December meeting notes: Motion to approve Kristin Pujals 1st, Laureen Wagner 2nd

Discussion Item: Video tour update: Dr. Morrissey and Jodi recorded video of tour of new school and took pictures in order to share with community

Botelho: suggested to tag RNE, Mtn Park and other entities in the community on Facebook and school websites due to great interest and excitement in and around Roswell about the new Crabapple Middle School

Principal Update: Dr. Morrissey reminded us that historically SGC funds have rolled over to the next year but that is not the case for this year and that the approximately \$25k in funds will need to be spent in May to early June.

Possible ideas for purchase: Cara suggested large student pictures for walls displayed on ledges; Laureen a PTA project of student photos on canvas; Pujals mosaics for each grade completed with local artist and art teacher each year; Jodi & Cara stencils of the 3 B's large scale

motivational and removable with no wall damage as ideas. Hannah added that this purchase would be identified as People and Culture monies and to get something decided upon soon.

Hannah inquired about SGC funds and the new marquis. Dr. Morrissey responded that solicitations were still being made for contract but that the money for the marquis has already been allotted.

Discussion Item: 2nd semester

Literacy is the end goal. Dr. Morrissey inquired with Greg about Parent University from last semester. Greg responded that RNE Jessica Swan and Susan Johnson are heading up this offering. Nina asked about the Reflection Form to which Jodi responded that it was community outreach.
