PHOTOGRAPHY

Mrs. Pfeilschifter discovered our campus has a cherry tree behind the art room, and photography students were challenged to seize the moment to photograph the spring blossoms. The goal was to use a cellphone or a DSLR camera to create 10 different photos that show variety, accurate focus and exposure and good composition with a non-distracting background, then cull the photos and choose their three best. Students also learned how to use the Windows Photo editor with the CTE laptop computer to crop and do basic editing to improve their photos.

ATTENDANCE

Students who wish to have attendance corrections made for individual classes need to speak to the teacher of that class. Students can do it one of two ways: 1. Go speak to the teacher and then the teacher will email me if an error was made. 2. Email the teacher and cc the email to Jaimee.Shaug@highlineschools.org in the same email so that when the teacher replies Miss Jaimee can make any corrections the teacher approves.

Only Teachers can correct errors, unless the student is with another staff member – then that staff member should be emailing Miss Jaimee at the time of the missed class to SCR.

Ms. Jaimee does not handle the attendance for PSSC or for Highline Community College Running Start. For PSSC contact Kelsey at 206.631.7353. For Running Start reach out to your professor.

If you are taking a planned trip or vacation, please make sure you see Miss Jaimee at least 1 week in advance to fill out the Pre-Arranged Absence Form that needs to be signed by both Counselors and Admin before it may be approved.
