

## Upper School Math Teacher (Advanced Placement)

Community School of Naples (CSN), an independent, college preparatory school in Southwest Florida, is currently seeking a motivated, talented, and experienced **Advanced Placement Upper School Math Teacher**, beginning August 2024. This full-time position would teach five classes per day, with an average class size of approximately 14-16 students. Preference will be given to candidates with experience teaching **AP Calculus BC, AP Calculus AB, and Multivariable Calculus**. Other responsibilities will include serving as an advisor to 12 students and supporting CSN's competitive math team. Possibility to be appointed as **Department Chair** in the future.

CSN is one of the top independent, non-sectarian day schools in Florida and maintains a PreK3-12 school enrollment of approximately 1000 students. CSN students are consistently top-ranked when compared to all other Southwest Florida high schools when it comes to test scores, extracurricular activities, and college acceptances.

The Upper School endeavors to cultivate in its students the ability to think critically and constructively, and the ability to communicate clearly and accurately their ideas, thoughts, and results. As an Upper School teacher at CSN, this individual should demonstrate a passion and expertise in the teaching of math and a willingness to develop a vibrant, challenging curriculum that allows students to engage in learning through research and experimentation.

### Requirements

- Bachelor's degree and a minimum of three years of teaching experience required.
- To support our STEM Scholars and AP Capstone initiatives, experience in teaching research or competing in math, engineering, and/or science fair competitions is a definite plus but is not required.
- Strong interpersonal, organizational, and writing skills.
- Strong attention to detail, with the ability to meet important deadlines.
- Ability to work effectively in a highly collaborative, high-stakes environment.
- Commitment to participating in professional organizations, conferences, subject-related competitions, etc.

### Compensation and Benefits

This position is a full time, instructional position for the 2024-25 academic year, with a start date of August 7, 2024. The position is paid on an annual salary commensurate with experience, degree attainment, and qualifications.
