## The Refugee Children Scholarship

*Open to all minorities and/or first-generation college students*

### Introduction

My name is Touk Sinantha (Praseuthsy) and I am a graduate of Raymond High School (RHS) class of 1994. My family and I came to the United States as refugees from Laos in 1981. In 1982, we settled in Raymond where my parents found work shucking oysters in South Bend. Since graduating from RHS, I earned my undergraduate degree in Finance from Western Washington University and completed my MBA at the University of Chicago. I currently live in Seattle with my husband (Dha), daughter (Amana), and cat (Oreo). After nearly two decades in the investment business, I founded AltraVue Capital in 2016 with my longtime business partner, DeShay. AltraVue is one of the largest women and minority owned investment company managing over \$1B in assets. I feel very fortunate to have had the opportunity to pursue my educational and professional goals. I am honored to be able to give back to my community and offer this scholarship.
