THE IMPORTANCE OF CCPS' PTOs | PTSOs

- To be the nucleus of information between the school and parents, students, teachers, and community.
- To support the vision and goals of the principal and vice-versa.
- To provide support to enrichment programs designed to enhance students' academic experience and challenges them academically.
- To serve as a source of support, in order, to work with the principal, teachers, parents, students, and community at large to raise funds to support educational experiences, educational resources, and educational tools
