Principal's Weekly Message

March 15, 2024

"Believe in yourself and let your light shine!"

Good Day OC Families!

Highlights:

Science & Invention Fair: The annual OC S & I Fair was a huge success! The students' projects and posters were quiet impressive. We are proud of all who participated. Thank you to our chairpersons, Lindsay Melhus and Jenni Prouty as well as our volunteers for bringing this exciting event to Oak Chan.

Safety Reminder: The beautiful weather approaching brings more foot and bicycle traffic. There have been reports of drivers not following the parking lot procedures and being disrespectful to others. We ask that you continue to use caution when approaching/exiting and while on school grounds as well as when driving through our neighborhood. Also, Disabled Person Parking spaces are reserved for those who have a (DP) placard owner as a driver/passenger in the car. As an OC Community member, safety and respect for others need to be priorities.

Calendar Alert: Schoolwide Hearing and Vision screening for TK, K, 2nd, and 5th grade students on April 16th & 17th. If your child wears glasses, please make sure your child has them on these days. If you wish to opt out your child from this screening, it needs to be stated in writing and emailed to both the school nurse and their teacher.

Monthly SKORR Challenge: The SKORR challenge for the month of March is to self-reflect and take ownership. Our teachers will also be continuing with our Social Emotional curriculum, Second Step. Click [HERE](#) for further information regarding our Social Emotional Learning programs.
