

Dear HPA families,

Today, we hosted our spring showcase and festival! The morning included violin and dance performances and displays for Visual Arts and Classical Studies. In the afternoon, nearly half of our scholars participated in activities at The Children's Museum, including a viewing of The Jungle Book and visiting exhibits throughout the museum. Scholars who celebrated at the school participated in a STEM challenge and painted Mandala rocks we plan to incorporate into our landscape next year.

The events were only possible because of generous volunteers from our growing community. Thank you to all for providing festive memories for our scholars!

Spring Picture Retake Day for New HPA Scholars Only on Wednesday, 3/20

If your scholar enrolled at HPA after fall picture day (September 8), they will have the opportunity for school pictures on Wednesday, 3/20. Scholars who had fall pictures taken will not have their pictures taken.

Spring Break Monday through Monday, 3/25 - 4/1

There is no school from Monday, 3/25, through Monday, 4/1, for spring break. Due to construction activity, there are no on-site activities at the school over break including BRAVE. School resumes for all HPA scholars on Tuesday, 4/2, at 8:00 AM.

Solar Eclipse Day, 4/8

As a reminder, we do not have school on Monday, 4/8, due to the solar eclipse. On Friday, 4/5, your scholar will be bringing home solar eclipse glasses so they are able to watch the solar eclipse safely! A handout with suggested activities will also be sent home with the glasses. This once-in-a-lifetime phenomenon will not happen again until 2153!

Walker path will evolve through the next stages of HPA construction

We are getting an onsite parking lot! In order to make this happen, when HPA reopens after Spring Break, walkers will have a new walking path for drop off and pick up. HPA staff members will support directing foot traffic for the updated path. As construction progresses with our new parking lot, the walker route may change but information will be provided before it occurs.

For the first time, we are offering the opportunity to enter a drawing for a free general admission ticket donated by event sponsors and supporters. If you would like to be eligible for the drawing of one of these donated tickets, please fill out [the form](#) here. If the number of requests for free tickets exceeds the number of donated tickets, recipients will be chosen in a randomized drawing. Recipients will be notified via email by Friday, 4/19. Questions?
