Madeira School District Releases Eleventh Quality Profile

The Madeira City School District has released its eleventh annual Quality Profile (QP), a compilation of accomplishments from the 2022-2023 school year in areas most important to the Madeira community.

Madeira began producing the yearly QP in 2012 along with Forest Hills, Indian Hill, Loveland, Mariemont, Mason, Milford, Oak Hills, Sycamore and Wyoming school districts. Participating schools surveyed its residents to determine additional factors they valued in their child's education in areas not represented on the state's report card, and have highlighted them annually. Today, over a decade after its inception, approximately 50 school districts throughout Ohio produce this more comprehensive assessment of their district's performance to supplement the state's report card

The Quality Profile spotlights just some of the many student, staff, and community member accomplishments during the 2022-2023 school year in Academics, Arts, Student Leadership & Activities, Fiscal Stewardship, Parent & Community Involvement, Athletics, Student Services, and Staff & District Recognitions.

Some of the highlights included in this year's report are Madeira Preschool receiving a Five-Star Step up to Quality Award from the state of Ohio, a high school junior achieving a perfect score on the ACT, state qualifying varsity athletic teams, the Madeira Schools Foundation's 2023 Distinguished award recipients, and middle school students who painted a rain barrel in an effort to educate the community about water conservation and pollution.

The Quality Profile is sponsored by the Alliance for High Quality Education, a statewide education consortium that works to improve educational opportunities for students and to represent member districts on matters of educational policy and funding. The entire Quality Profile with interactive links can be found at [www.madeiracityschools.org/Welcome/Our Quality Profile](http://www.madeiracityschools.org/Welcome/Our%20Quality%20Profile). Postcards were mailed to all Madeira residents with a QR code to the QP, and copies will be mailed to residents who call 513-924-3707.
