

RSU NO. 5 CONSENT TO RELEASE GRADES 9-12 STUDENT INFORMATION

Dear Parents/Guardians:

Directory Information

During the school year there are groups who support school activities like the parent/teacher organizations, boosters for various sports and activities who request Directory Information from us. These groups are directly associated with the school and any information given to them is not shared with anyone else. RSU No. 5 designates the following student information as directory information: name, participation and grade level of students in recognized activities and sports, height and weight of student athletes, dates of attendance in the school unit, and honors and awards received. While directory information can be released without written permission, it has been our custom to honor your wishes regarding this issue. RSU No. 5 may disclose directory information if we have not received timely written notice refusing permission to designate such information as directory information.
