Admissions Checklist 2024-2025

The application deadline is January 15, 2024. **Applications received after this deadline are considered based on space availability. Please note, all K-8th grade assessments and buddy day visits are in-person, only. No virtual options are available.** Uploading documents and facilitating teacher recommendations will be done directly by the parent through the application checklist portal. Once the documentation and teacher recommendations have been completed, an initial review will determine eligibility for an in-person assessment or buddy day visit. The Admissions Office will reach out to families to schedule eligible visits.
