Introduction

The Prep School Library is in an excellent location and is regarded as a valuable resource within the school. It is well used by the pupils of Years 3 - 8. Pre-prep have their own library which is managed by the Pre-prep team. There are a variety of books available for the topics covered in class, along with fiction, non-fiction and picture books. The children can borrow books from this library on a regular basis, to read alongside their 'reading book', which focuses on phonics and developmental stages of reading.

The Prep Library is open during school hours, six days a week. The Prep School Librarian is on duty throughout the school day from 8.00am – 4.00pm, Monday – Friday. Class use of the Library is encouraged. All year groups follow a timetabled programme of library induction, reading, and research skills throughout the school year. Pupils have access to 4 computers and comfortable chairs for relaxed reading at break and lunchtimes.

School Librarian

The Librarian is responsible for stock management, which includes the selection and processing of new items, classification and cataloguing, general stock maintenance, budget, liaising with teaching staff, supervising pupil use, the League Reading Race, organising the Library Helpers and managing the Accelerated Reader Scheme.
