

March 18, 2024

Dear Parents:

Thursday, April 25, 2024, has been designated as **Take Our Daughters and Sons to Work Day**. This annual event, originally established for girls, includes all students and is primarily intended for children 8-12 years of age. Students who are slightly younger or older may also participate. The purpose is to help youth make connections between education and a future in the workplace. Adams 12 Five Star Schools allows students the opportunity to spend the day at their parent's workplace. Many children from District 12 participate in shadowing their parent(s) at work on this day.

In order to eliminate a large volume of phone calls, we ask parents of children who will be participating in **Take Our Daughters and Sons to Work Day** to fill out the form located at the bottom of the page and return it to the school by Thursday, April 25, 2024. *A phone call to the attendance line is not necessary if you have excused your child using the form at the bottom of the page.*

Children who attend work with a parent will **not** be counted absent from school. However, students **will be** expected to complete all make-up assignments, or alternate assignments related to their shadow experience.

More information on this annual event is available via this [LINK](#).

Sincerely,

Principal
