2024 -2025 STUDENT PLACEMENT INPUT FORM

Due: May 3rd

The process that is used for placing your child in an appropriate setting accommodates both parental input and professional judgment with the final decision for classroom placement resting with the principal. When making class list decisions, many factors are considered for developing balanced classrooms. These factors include but are not limited to:

- Gender
- Leadership
- Diversity
- Special needs
- Learning styles
- Academic skill levels
- Specific student combinations
- Behavior
- Parental Input

The information you provide to us will be used when making classroom placements. After reviewing the input from parents and teachers, the students will be placed into classrooms. Please **do not list specific teacher names** on the input form. Student Placement Input Forms must be returned to the Northpoint, Park Terrace, Centerview, Woodcrest or Westwood Intermediate office by no later than Friday, May 3rd. If you prefer to email them, please send them to tkruege@district16.org
