CAMPUS EXECUTIVE SUMMARY

SCHOOL OVERVIEW:

At Arnoldo Cantu Sr. Elementary we currently have 612 students enrolled in grades PK3-5th. Arnoldo Cantu Elementary was rated a "A" campus in 2022. Funds that are being used to ensure the success of all students are Title I, SCE, and ESSER funds. Some of these funds are used to provide accelerated instruction and to purchase Reading, Math, and Science materials to ensure that teachers and students have the necessary manipulatives that are needed to ensure growth. Funds are also being used to provide professional development for teachers in Reading, Math, Science, and SEL. As of September 9, 2023, there are 49 in PK3, 69 in PK4, 78 in Kinder, 76 in First Grade, 91 in Second Grade, 80 in Third Grade, 97 in Fourth Grade, and 72 in Fifth Grade. The school population at Arnoldo Cantu Elementary consists of 99.9% Hispanic. Our students represent a low socio-economic status of approximately 91.8% with 7 migrant students. Approximately 5.2% of our student s population receive special education services. The Gifted and Talented population consists of approximately 5.4% of the population. The Emergent Bilingual population is approximately 40.6% where most of their home language is Spanish. Our students are enrolled full time.

THE STATE OF TEXAS PUBLIC EDUCATION MISSION AND ACADEMIC GOALS

The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and the future in the social, economic, and education opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family; and that parental involvement in the school is essential for the maximum educational achievement of a child.

THE STATE OF TEXAS PUBLIC EDUCATION GOALS

GOAL #1: The student in the public education system will demonstrate exemplary performance in the reading and writing of the English language. GOAL #2: The students in the public education system will demonstrate exemplary performance in the understanding of mathematics. GOAL #3: The students in the public education system will demonstrate exemplary performance in the understanding of science. GOAL #4: The students in the public education system will demonstrate exemplary performance in the understanding of science.

English Language Learners (EL):

The following sources from across the campus were used to review the Dual Language Department data by the CPOC : State of Texas Assessments of Academic Readiness (STAAR) results, Performance Based Monitoring Assessment System (PBMAS) and TELPAS indicators to determine strengths and needs of our EL students. The DL Department also worked closely with the human resource department to ensure that highly qualified teachers and instructional assistants were recruited, hired, and placed in the appropriate educational setting. Each curriculum and instruction central office administrator by campus type was also assigned an English Language and Spanish Language Development coach to enhance bi-literacy. In addition, the DL Department was very involved in the curriculum writing and revision for grades K-12 during the summer to address the needs of our EL students and align the curriculum between English and Spanish Language Arts that led to a more coherent and consistent bi-literacy program. Professional development was also coordinated with the curriculum and instruction department to ensure that all general education teachers utilize best practices that support the learning of EL students.
