**Mission:**

At Carmen Anaya Elementary, we believe that all the elementary children should develop an understanding of the past and identification with the present to meet the challenges of an ever-changing world and to become responsible ethical members of our society. For us to realize our objectives, we at Carmen Anaya Elementary recognize the need for sustainable efforts between the student, the school, the home, and the community. As stated in our 2018 Blue Ribbon School application, "It is the philosophy of Carmen Anaya Elementary staff that our children will become competent, responsible, and ethical members of society and that they will continue to lead change in the Las Milpas community".

**Demographic Summary:**

Current enrollment at Carmen Anaya Elementary are 421 students as of 9/6/2023. Demographic statistics are as follows: Male 53% Female 47%, English Learners 48.7%, Economically Disadvantaged 96.7% Gifted and Talented 2.9%, At- Risk 74% , Migrant 1.2% and Special Education 9.5%

**Comprehensive Needs Assessment Summary:**

In 2022-2023, Carmen Anaya administered STAAR assessments to 100% of all 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> grade students. We received an overall accountability score of 91.6% based on Texas Education Agency formula which includes a percentage of the three state standard domains. In **Domain I**, "Student Achievement", Anaya scored a 85 (B). **Domain II**, School Progress: Academic Growth (Part A) and Relative Performance (Part B). In Part A our Scaled Score was 88% and Part B or score was 91%. The state uses the higher of the two in its calculations for school ratings. Part B which compares our economically disadvantaged student population (96.7%) to our comparison group schools. Our final Domain II rating was a 95% (A). Finally, **Domain III** Closing the Gaps, measures how all campus group categories perform against an established state target. Anaya Elementary earned an overall campus rating of an "A".

**Curriculum and Instruction and Assessment:**

**Reading:** PSJA adopted SAVAAS curriculum and district coordinators created a pacing guide and lessons for all teachers in Pre-K-5<sup>th</sup> grade. In addition, the curriculum which is provided in both English and Spanish for students in 2<sup>nd</sup> -5<sup>th</sup> grade. K-1st grade students get instruction in their first language and therefore get either an English or a Spanish SAVVAS edition. Teachers also use supplementary resources such as Sing, Spell Read, and Write, and Estrellitas in Spanish to enhance the curriculum. The curriculum for Pre-K 3 and PreK 4 students is Frog Street in English and in Spanish. Oral Language

development is supported by Footsteps 2 Brilliance curriculum as part of the district's Bilingual Program. Additionally, as a campus, we purchased supplemental material such as: Forde-Ferrier, Heggerty, Curriculum Associates, and Iready. We schedule all classrooms in computer labs for 30 minutes daily for extra support in Reading using iStation and.

Carmen Anaya Elementary is a Dual Language Campus. In order to support language development for our Emergent Bilingual population, P.S.J.A. has purchased the computer application program Summit K-12 to develop the Listening, Speaking, Reading and Writing Domains in Texas English Language Proficiency Assessment Standards (TELPAS). In addition, Carmen Anaya staff also incorporates a TELPAS weekly activity to ensure face to face interaction with teacher support.

**Mathematics:** In Mathematics, the district has used the Sharon Wells curriculum for 2<sup>nd</sup> through 5<sup>th</sup> grades and Pearlized Math for Kinder through 1<sup>st</sup> grades. PSJA also purchased the following computer programs for students: Imagine Math, and ST Math.

**Science:** Our overall Science STAAR score for our 5<sup>th</sup> grade students was **an 73**. Our campus uses the district adoption, Science Fusion, for 2023-2024, as well as a cohesive hands-on curriculum in science lab for 3<sup>rd</sup>-5<sup>th</sup> grade students. Technology is an integral part of science lab instruction, and many activities are based on various platforms: Google Slides, Class Kick, NearPod . All Pk-5<sup>th</sup> grade students participate in our Science Fair in which they do a scientific research home based project. In addition, students in 3<sup>rd</sup>-5<sup>th</sup> grade also participate in a Sci Tech class during elective rotations and are exposed to Science EduSmart curriculum.

### Special Population:

The students in the unit use the Unique curriculum which is a computer program that is age and grade level appropriate for student with special needs. The program includes resources and instructional activities for Reading, Math and other core content areas.

## Campus Improvement Goals

---

This section includes annual goals for the campus which address the campus needs. As per district requirements, these goals are divided among four distinct goal areas. Campus technology needs are addressed across several goal areas. Positive behavior incentives and parental engagement are included in Goal Area #3. Teacher professional development needs are included in the Professional Development Calendar (see appendix).

For your convenience, the SBDM committee has included a goal summary sheet. This summary sheet shall be periodically updated as the SBDM reviews annual progress on each goal.

**Goal Area #1**
