# Cesar Chavez Elementary School

## Vision

Cesar Chavez Elementary will provide all students with a quality education that teaches students responsibility, builds character education, promotes global awareness, and embraces cultural diversity.

## Mission

As a Cesar Chavez Elementary School Community, we will empower students to become self-disciplined biliterate problem solvers and critical thinkers with a heightened social-emotional awareness. This will be achieved by working collaboratively, setting common goals, and high expectations in a safe student-centered environment.

## Campus Improvement Plan: School Year 2023-2024

### Campus Name: Cesar Chavez Elementary

#### **SCHOOL OVERVIEW:**

- **Demographics Summary:** Cesar Chavez Elementary (CCE) is located 7 miles north of the Mexican border. As a suburban Title 1 school with a large Hispanic population, CCE students and families face many economic challenges. Many in the community are economically disadvantaged, live below the poverty line, and reside in subsidized housing. With a familial atmosphere, it is the goal of CCE to make the students feel safe and protected. CCE houses both general education and a self-contained special education classroom. The campus serves 407 students ranging from PK to 5<sup>th</sup> grade. Of these students, 66.8 % have been identified as Limited English Proficient, 98.07 % have been identified as economically disadvantaged and qualify for free or reduced lunch. Also, 92 % of the students have been identified as at risk of not graduating from high school. The student population consists of 99% Hispanic and 1% reporting another ethnic background. Cesar Chavez Elementary is a 2018 National Blue-Ribbon School and 2020 & 2022 ESEA National Distinguished School awardee.
- **Comprehensive Needs Assessment Summary:** Cesar Chavez received an overall grade “A” for the 2022-2023 school year of 92. STAAR assessment participation for 2023 consisted of 100% STAAR performance was 86, Academic growth 91 %, School Progress Raw Component Score for Relative Performance was 91 and Closing the Gaps % Indicator Academic Achievement Status is 94%.
- **Curriculum/ Instruction and Assessment:** Cesar Chavez Elementary is a Two-Way Dual Language Campus. Students are provided content area instruction in English and Spanish by highly qualified and certified bilingual teachers. The goal of the program is for the students to become bilingual, and bicultural, and to be able to achieve a high degree of bi-literacy and academic achievement in both languages. Cesar Chavez Elementary strives for success in all areas. Students are followed through their school careers and showcased in the front of the school as Chavez alumni. The expectations are high, but the reward is great. CCE endeavors to produce 21<sup>st</sup>-century leaders who will carry their community into the future. Chavez Elementary believes in achieving success through innovation and excellence. To ensure that students are mastering the TEKS, teachers continuously reflect upon their instructional methods and interventions by collaboratively interpreting assessment data during their weekly CLC (Collaborative Learning Communities) meetings. This approach has impacted their ability to close achievement gaps, which is evident in the growth of their students. Recognizing the need to engage students in authentic reading and meaningful practice, also providing Social Emotional lessons to all our students.

# Cesar Chavez Elementary SCHOOL PROFILE

Cesar Chavez Elementary (CCE) is located 7 miles north of the Mexican border. The school was established in 1999 as the only school in the rural community of "Las Milpas." Translated from Spanish, "Las Milpas" means the cornfields. CCE opened its doors in 1999 to serve students from the local migrant community. The school was appropriately named to honor the Mexican-American labor leader Cesar E. Chavez who used non-violent methods to fight for the rights of migrant farm workers in the United States.

The campus serves 407 students ranging from PK- 5th grade. Of these students, 66.8% have been identified Limited English Proficient, and 99.8 % have been identified as economically disadvantaged and qualify for free or reduced lunch. Also, 92 % of the students have identified at risk of not graduating from high school. The student population consists of 99% Hispanic and 1% reporting another ethnic background.

## Special Education:

The following accountability sources were used to review the Special Education data by the Campus Site-Based Decision-Making Committee (SBDM): State of Texas Assessments of Academic Readiness (STAAR) results, Performance Based Monitoring Assessment System (PBMAS) and State Performance Plan (SPP) indicators to determine strengths and needs of our Special Education students. In addition, the Special Education Department was very involved in the curriculum writing and revision for grades K-5 during the summer to ensure that the general curriculum meets the needs of our special education students. Professional development is also coordinated with the curriculum and instruction department to ensure that all general education teachers are well versed in best practices that support the learning of special education students.

## Needs:

Align student goals and objectives outlined in IEP with TEKS being assessed on STAAR, STAAR Online and STAAR-Alt 2.

## Personnel Needs:

Campus Administrators will work closely with Human Resources (HR) to ensure the selection of highly qualified employee(s) holding valid state issued certification.

## Professional Development Needs:

Special Education Staff will be included in all Professional Development (PD) provided by the campus/district in the areas that are to be addressed by individual students. The Special Education Department will work closely with the Campus and provide PD in the area of co-teaching to implement the inclusion model effectively.

# THE BOARD OF EDUCATION GOALS AND PROGRESS MEASURE

**Goal 1:** The percent of students in grade 3 who perform at meets grade level or above on STAAR Reading will increase from 46% to 55% by June 2024.

Goal Progress Measure 1.1: The percent of grade 3 students who reach above the 60<sup>th</sup> percentile by End of Year Assessment will increase from 25% to 34% by 2024.

Goal Progress Measure 1.2: The percent of grade 2 students who reach above the 60<sup>th</sup> percentile by End of Year Assessment will increase 25% to 34% by 2024.

Goal Progress Measure 1.3: The percent of grade 1 students who reach above the 60<sup>th</sup> percentile by End of Year Assessment will increase from 23% to 32% by 2024.

Goal Progress Measure 1.4: The percent of grade kindergarten students who reach above the 60<sup>th</sup> percentile by End of Year Assessment will increase 15% to 23% by 2024.

**Goal 2:** The percent of students in grade 3 who perform at meets grade level or above on STAAR Mathematics will increase from 56% to 65% by June 2024.

Goal Progress Measure 2.1: Proficiency in grade 3 students on Imagine Math Beginning of Year Assessment will increase from 7% to 16% by 2024.

Goal Progress Measure 2.2: Proficiency in grade 2 students on Imagine Math Beginning of Year Assessment will increase from 33% to 42% by 2024.

Goal Progress Measure 2.3: Proficiency in grade 1 students on Imagine Math Beginning of the Year Assessment will increase from 11% to 19% by 2024.

Goal Progress Measure 2.4: Proficiency in grade kindergarten on Imagine Math Beginning of the Year Assessment will increase from 1% to 10% by 2024.

**Goal 3:** The percent of students in grades 5-8 who perform at meets grade level or above on STAAR Reading will increase from 45% to 55% by June 2024.

Goal Progress Measure 3.1: The percent of students in grade 5 at meets level on STAAR Reading will increase from 53% to 60% by June 2024.

Goal Progress Measure 3.2: The percentage of students in grade 6 at meets level on STAAR Reading will increase from 26% to 30% by June 2024.

Goal Progress Measure 3.3: The percent of students in grade 7 at meets level on STAAR Reading will increase from 37% to 42% by June 2024.

Goal Progress Measure 3.4: The percent of students in grade 8 at meets level on STAAR Reading will increase from 42% to 47% by June 2024.

**Goal 4:** The percent of graduates who are College, Career and Military Ready will increase from 70% to 80% by June 2024.

Goal Progress Measure 4.1: The percent of graduates earning an industry-based certification will increase from 4% to 30% by June 2024.

Goal Progress Measure 4.2: The percent of graduates earning 3 college hours in ELA or Math or 9 hours in any other course will increase from 51% to 60% by June 2024.

Goal Progress Measure 4.3: The percent of graduates earning a Level I or Level II certificate will increase from 6% to 10% by June 2024.

# Title 1, Part A School Wide

## Title I, Part A

### School wide Components:

1. A comprehensive needs assessment of the entire school(including taking into account the needs of migratory children as defined in section 1309(2)) that is based on information which includes the achievement of children in relation to the State academic content standards and the State student academic achievement standards described in section 1111(b)(1).
2. School wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of student academic achievement, use effective methods and instructional strategies that are based on scientifically based research, and that include strategies to address the needs of all children in the school, but particularly the needs of low-achieving children and those at risk of not meeting the State student academic achievement standards who are members of the target population of any program that is included in the school wide program.
3. Instruction by highly qualified teachers.
4. In accordance with section 1119 and subsection (a)(4), high-quality and ongoing professional development for teachers, principals, and paraprofessionals and, if appropriate, pupil services personnel, parents, and other staff to enable all children in the school to meet the State's student academic achievement standards.
5. Strategies to attract high-quality teachers to high-need schools.
6. Strategies to increase parental involvement in accordance with section 1118, such as family literary services.
7. Plans for assisting preschool children in the transition from early childhood programs, such as Head Start, Even Start, Early Reading First, or a Staterun preschool program, to local elementary school programs.
8. Measures to include teachers in the decisions regarding the use of academic assessments described in section 1111(b)(3) in order to provide information on, and to improve, the achievement of individual students and the overall instructional program.
9. Activities to ensure that students who experience difficulty mastering the proficient or advanced levels of academic achievement standards required by section 1111(b) (1) shall be provided with effective, timely additional assistance which shall include measures to ensure that student difficulties are identified on a timely basis and to provide sufficient information on which to base effective assistance.
10. Coordination and integration of Federal, State, and local services and programs, including programs supported under this Act, violence prevention programs, nutrition programs, housing programs, Head Start, adult education, vocational and technical education, and job training.
