Vision

All elementary children should develop an understanding of the past and identification with the present to excel in an ever-changing world, become responsible, ethical members of our society.

Mission

The faculty of Kelly-Pharr Elementary School affirm their commitment to excellence in education. To fulfill this commitment, we are dedicated to providing bi-literate learning opportunities for all elementary students in accordance with their needs, backgrounds, interests, and abilities. In our school program we strive to provide a bi-literate balanced curriculum emphasizing academic and social growth and integrating the ideals of democracy and citizenship. We provide the opportunity for the students to have their needs met as they develop individual abilities in a democratic, bi-literate atmosphere: an atmosphere where the students can contribute to be part of the whole. The culmination of our efforts is to instill in our students a lifelong love of learning in two languages thus leading to renowned college and career readiness at the highest levels of success.

Executive Summary

THE STATE OF TEXAS PUBLIC EDUCATION MISSION AND ACADEMIC GOALS

The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and the future in the social, economic, and education opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family; and that parental involvement in the school is essential for the maximum educational achievement of a child.

GOAL AREAS:

GOAL AREAL 1 – Student Achievement

GOAL AREA 2 - Closing the Gaps

GOAL AREA 3 – Improve Culture and Climate

GOAL AREA 4 – Increase Staff Quality, Recruitment and Retention

Title I, Part A

School wide components

1. A comprehensive needs assessment of the entire school(including taking into account the needs of migratory children as defined in section 1309(2)) that is based on information which includes the achievement of children in relation to the State academic content standards and the State student academic achievement standards described in section 1111(b)(1).
2. School wide reform strategies that provide opportunities for all children to meet the State’s proficient and advanced levels of student academic achievement, use effective methods and instructional strategies that are based on scientifically based research, and that include strategies to address the needs of all children in the school, but particularly the needs of low-achieving children and those at risk of not meeting the State student academic achievement standards who are members of the target population of any program that is included in the school wide program.
3. Instruction by highly qualified teachers.
4. In accordance with section 1119 and subsection (a)(4), high-quality and ongoing professional development for teachers, principals, and paraprofessionals and, if appropriate, pupil services personnel, parents, and other staff to enable all children in the school to meet the State’s student academic achievement standards.
5. Strategies to attract high-quality teachers to high-need schools.
6. Strategies to increase parental involvement in accordance with section 1118, such as family literary services.
7. Plans for assisting preschool children in the transition from early childhood programs, such as Head Start, Even Start, Early Reading First, or a State-run preschool program, to local elementary school programs.
8. Measures to include teachers in the decisions regarding the use of academic assessments described in section 1111(b)(3) in order to provide information on, and to improve, the achievement of individual students and the overall instructional program.
9. Activities to ensure that students who experience difficulty mastering the proficient or advanced levels of academic achievement standards required by section 1111(b) (1) shall be provided with effective, timely additional assistance which shall include measures to ensure that student difficulties are identified on a timely basis and to provide sufficient information on which to base effective assistance.
10. Coordination and integration of Federal, State, and local services and programs, including programs supported under this Act, violence prevention programs, nutrition programs, housing programs, Head Start, adult education, vocational and technical education, and job training.
