Executive Summary

Executive Summary Cont.

Curriculum and Instruction and Assessment: Teachers utilize the Balanced Literacy approach for language arts instruction with a focus on guided reading. The campus, as a whole, provides guided reading instruction and interventions for the first 90 minutes of the day. Students are engaged in intentional reading instruction that focuses on fluency and comprehension. Because of our Bilingual program, Longoria offers fourteen Dual Language classrooms: 2 in each grade level PK-5th. The mission for our campus is to develop students who are fluent readers, critical thinkers and problem solvers, and 21st century ready. Recognizing the need to engage students in authentic reading and meaningful practice, our focus will be on classroom libraries to promote the love of reading, as well as provide materials and professional development to support reading fluency and comprehension. Handwriting will also be a focus of literacy instruction so that students will be able to write legibly and fluidly.

Summary of Goals: Raul Longoria's goal is to improve student mastery of grade level TEKS by utilizing TEKS based, data driven instruction to increase the number of all students scoring at the Meets and Masters level on STAAR by 10% in all subject areas and subgroups. Students in grades K-2 will show a 10% increase in the number of students performing in Tier 1 as determined by TPRI/Tejas Lee, Istation reading, Imagine Learning Math, and Reasoning Minds for Math. Each grade level will show a 10% increase in the percentage of students reading on grade level. State data will reflect a 10% increase in Domains I, II, and III. Longoria Elementary will provide a safe, rigorous, highly engaging learning environment to all students and staff. 100% of students will participate in our campus wide social emotional initiative. In addition, Longoria Elementary will increase the academic achievement of all students, in all subgroups by 10%. Close the achievement gap by 10% between the economically disadvantaged, special education and EL populations. 100% of parents will have the opportunity to participate in school events and engagement activities. Longoria Elementary will continue to partner with community stakeholders to ensure student/campus success.

The Overall Group identifies the students in groups A-D for the CLASS for the assessment given.
 The Grouping Factor is a mathematical calculation that takes the entire assessment into consideration and weights the tasks based on difficulty. The higher the Grouping Factor, the poorer the student did on the assessment.
 The Teacher Class Group (A, B, C or D) refers to the students assigned group level within the class (period).
 The Calculated Tier identifies the student's tier - 1 or 2 - based on the guidelines set forth by the assessment developers.

10 Components of a Title 1, Part A School-wide Program

10 Components of a Title I,

1. Comprehensive Needs Assessment

- a. Required: Establish a planning team of educators, parents, community members, and business representatives to review campus data and create a vision for schoolwide reform
- b. Required: Use data to create a campus profile that drives the Campus Improvement Plan
- c. Best practice: Involve total school staff in identifying campus needs

2. Reform strategies

- a. Required: Review program documentation to ensure that all instructional programs/ instructional strategies are supported by scientifically-based research
- b. Best practice: Identify how each activity strengthens the core academic program
- c. Best practice: Identify scientifically-based research programs that increase the amount and quality of learning time

3. Instruction by Highly Qualified Teachers

- a. Required: Highly Qualified Paraprofessionals are still required under NCLB for 2016-2017
- b. Best practice: Highly Qualified Teachers are not a requirement under NCLB for 2016-2017, but ESSA for 2017-2018 does require “effective teachers,” and teachers must be state certified
- c. Best practice: Provide opportunities for teachers to observe master teachers in action

4. High-Quality and Ongoing Professional Development

- a. Required: Select professional development to meet the needs of all principals, teachers, paraprofessionals, parents, and others as appropriate
- b. Best practice: Utilize book study groups, professional learning communities, and online training to meet the needs and schedules of teachers
- c. Best practice: Rearrange the school day to provide a block of time for collaborative planning

5. Strategies to Attract Highly Qualified Teachers

- a. Required: For 2016-2017, paraprofessionals must still be Highly Qualified under NCLB
- b. Best practice: Highly Qualified Teachers are not a requirement under NCLB for 2016-2017, but ESSA for 2017-2018 does require “effective teachers,” and teachers must be state certified
- c. Best practice: Job fairs, multiple site job postings, mentoring, stipends for hard to staff positions

10 Components of a Title 1, Part A School-wide Program Cont.

6. Strategies to Increase Parental Involvement

- a. Required: Send information to parents in a language and format they understand (Examples: annual report cards, reports regarding student achievement, parent involvement policy and school-parent compact)
- b. Required: Include parents in developing the parental involvement policy and school-parent compact
- c. Required: Help parents understand the state's academic content and achievement standards
- d. Best practice: Provide a family literacy program

7. Transition (IN 2016-2017 THIS APPLIES TO TRANSITION FROM PRESCHOOL ONLY. UNDER ESSA BEGINNING 2017-2018, IT ALSO APPLIES TO MIDDLE AND HIGH SCHOOL TRANSITIONS.)

- a. Required: Provide transition assistance for students coming from preschool
- b. Best practice: Arrange for kindergarten and preschool teachers to visit each other's classrooms
- c. Best practice: Coordinate planning and professional development activities of preschool and kindergarten teachers to align the curricula and goals
- d. Best practice: Arrange guided site visits to high school for middle school students

8. Teacher Decision-Making Regarding Assessments

- a. Required: Include teachers in the decisions and planning regarding use of assessments
- b. Best practice: Provide opportunities for teachers to work together to develop student assessments (Examples: benchmarks, performance assessments, student inventories)
- c. Best practice: Provide professional development on using data to make instructional decisions, improve curriculum, and design assessments

9. Effective and Timely Assistance to Students Experiencing Difficulty

- a. Required: Analyze individual student data to identify needs and provide additional learning opportunities for all students who need it
- b. Best practice: Provide individualized and small group learning sessions
- c. Best practice: Incorporate computer assisted instruction, modifications, and accommodations for curriculum activities

10. Coordination and integration of Federal, State, and Local Services, Programs, and Funds

- a. Required: Use the flexibility to integrate services and programs to upgrade the entire educational program, thus helping all students reach proficient and advanced levels of achievement
- b. Required: When coordinating funds, a campus pays for an activity using Title I, Part A and some other fund source and tracks each portion to an allowable program expenditure
- c. Best practice: List Federal, State and Local services and programs that have common requirements (professional development, parent involvement, etc.) and determine where coordination and integration can occur based on program intent and purpose, and document coordination of program funds in CIP
