

Dear Linden Hall School Community,

It is my pleasure to inform you of significant developments regarding the search process for our next school leader.

I am delighted to announce that Tija Hilton-Phillips has graciously accepted the position of Search Chair. Tija is a former parent and has been a member of the board since 2018. She has held multiple leadership roles, most recently serving as the Vice President for the Board and Chair of the Diversity, Equity, and Inclusion Taskforce. Tija brings invaluable experience and insight to this crucial role, and her unwavering commitment to Linden Hall's mission will play a pivotal role in helping us navigate the process of selecting our next Head of School.

Additionally, I am pleased to share that The Education Group, under the leadership of Katherine Stuart, will serve as the consultants overseeing the search process. Their expertise and commitment to excellence will ensure a comprehensive and thorough search that aligns with Linden Hall's vision and goals.

As we embark on this important journey, I encourage all members of the Linden Hall community to actively engage in the search process. Your input, feedback, and support are invaluable as we work together to secure a leader who will inspire, innovate, and champion the values that define Linden Hall. We will keep everyone updated throughout the search process, ensuring transparency and inclusivity.

I am very grateful to everyone who will participate in this process. Together, we will ensure a seamless transition and a bright future for Linden Hall.

Warm regards,

Heather A. Wilson, MSW, CFRE, CAE, FCPP
Chair, Board of Trustees
Linden Hall Class '85
