

COVID-19 Procedures

2022-23 SCHOOL YEAR

COVID-19 POSITIVE

Notify the School Nurse and Attendance Office

Isolate for five days, return on date provided by nurse

Mask for days 6-10 in public. Mask may be removed while actively eating or drinking only.

COVID-19 EXPOSURE

You do not need to quarantine at home. Follow current CDC guidelines. Mask in public for ten days and monitor for signs of illness. Mask may be removed when actively eating or drinking. Do not come to school sick-stay home and test.

If you test positive for COVID during the 10 day quarantine, follow COVID positive guidelines.
