

# THE STALLION STAMPEDE

*The latest news and updates from Euless Junior High*

Last week I promised I would show you the final products of the tie dye shirts created by the students in Mrs. Vi's room. I saw a bunch of her students walking around with theirs yesterday, showing them off to their friends and teachers. Mrs. Vi also sent me pictures of her classes with their shirts. They look amazing! Fabulous job everyone!

# *Congratulations Stallions!*

# LEARNING ABOUT DISEASES

Right outside of Coach Harper's Health class, there are posters hanging on the wall made by her students about different health diseases and how they affect the body. I asked her why they learned about this and she shared that there are certain diseases that we frequently hear a lot about so she wanted to introduce her students to types of diseases that are not discussed as frequently or that are lesser known. Now that her students have learned about it, they are able to share their knowledge with others through their posters in the hall. It was very interesting to see a visual representation along with some facts about each disease. Great job to Coach Harper and the students in her Health class. Amazing work!

Congratulations to all the LIGA All-Stars, but especially to our very own Justin Lopez, Julian Sosa, and Aliasger Hussain. EJB would also like to thank Steven Jones & 6 Stones for sponsoring this league for HEB.

**Ways to practice gratitude**

Inspire your tween to appreciate the good things in life. He'll feel happier and more optimistic with these projects.

**Springtime gratitude tree**

Ask your child to fill a large glass jar halfway with rocks, then insert twigs to make a "tree." Next, have him draw and cut out construction paper "leaves." He could write something he's grateful for on each leaf, then poke a hole in the leaf and hang it on the tree. *Idea:* Encourage him to keep a pile of blank leaves nearby so family members can fill in their own "gratitude leaves."

**The ABCs of thankfulness**

Give your tween a stack of index cards and a challenge: Write at least one thing he's grateful for each day, starting with A ("Apple pie for dessert") and ending with Z ("Zero trouble with my history test"). He can hole-punch the cards and keep them on a ring. 🍏

An illustration of a boy sitting at a table, creating a gratitude tree. He is holding a leaf that he has just cut out from a piece of paper. On the table in front of him is a glass jar filled with rocks, a few twigs, and some construction paper. There are also some scissors and a hole punch nearby. The boy is smiling and looking at his work.

## COVID-19 UPDATES & REMINDERS

- If your student is awaiting a COVID 19 test or test results, please do not send your student to school until you receive the test results.
- If someone in your household is awaiting test results, please do not send your student to school.
- If your student has a fever, chills, cough, shortness of breath, difficulty breathing, muscle or body aches, unusual headache, diarrhea, nausea or vomiting, sore throat, new loss of taste or smell, congestion, or a runny nose please do not send your student to school.
- If your Euless Junior High student or another school-aged student in the household is on quarantine, please do not send your student to school.
- If your student is a virtual student, that comes to campus for athletics and is on quarantine, please do not send your student to school.

Not following these protocols affects many students and families who are doing their best to keep those around them healthy. Please do your part to help us keep students in school.

Eules Public Library has also started a Teen Advisory Group where teens can do virtual volunteer hours.

A graphic for the Teen Advisory Council. It has a yellow background with a pattern of small white crescent shapes. A teal rectangle is centered on the page. Inside the teal rectangle, the text 'NEED VOLUNTEER HOURS?' is written in large, bold, white letters. Below this text are a pink heart and a pink laptop. Below the heart and laptop, the text 'Join Teen Advisory Council' is written in bold, white letters. Underneath, there are three lines of text in pink: 'What is TAC?: The TAC's goal is to promote library services to teens at the Eules Library and within the community by: Advising, Planning, and Implementing Teen Programs. Promoting ideas, and recommending materials for the collection.', 'How To Join?: Email [aalvarez@eulesstx.gov](mailto:aalvarez@eulesstx.gov)', and 'When: Virtually 5-00-6-00 pm every Third Thursday'. A vertical pink bar is on the right side of the teal rectangle.

TALENT SEARCH

Is your student interested in going to college or trade school after high school? TRIO Talent Search is a federally funded program, that began in the HEB ISD in September of 2006. We help students prepare for college or trade/vocational school. We focus on topics such as college information, career readiness, financial aid, financial literacy, goal setting, time management and so much more.

We are here to help you with college enrollment, academic achievement, and the financial aid process. We also offer college campus tours and field trips in the summer. If you are interested in your child joining this group which meets during the school day, please have them fill out the form:
