

# THE STALLION STAMPEDE

*The latest news and updates from Euless Junior High*

It has been a big week of testing at Euless Junior High and there is a bit more to come next week. Thank you to all of the parents and caregivers who have assisted your children in being prepared and at their best for these exams. It is so helpful to have these kids at their best while their learning progress and achievement is assessed in order to get a true test of where they are at to support them further in their learning process. This week has shown that we are all in this together and that we are Stallion Strong.

We appreciate the PTA and all of the parents and students who have showered us with love this week for Teacher Appreciation Week. It has made this week a lot more enjoyable for us and it is always wonderful to be celebrated. Thank you for honoring us!

# LOW RELIEF TIN SCULPTURES

Mrs. Wade's 9th grade art students created some low relief sculptures out of tin that are now on display in the case between the library and the courtyard. These are very interesting pieces with a lot of detail. We appreciate the amazing work and beautifying our school with creations by our students.

# MIDDLE YEARS

## **Start a “just ours” tradition**

Stepsiblings might bring different traditions to a blended family. While it's important to keep those, creating shared rituals can be a nice way to bond. Maybe you'll have pajamas-and-pizza night on Wednesdays or Saturday afternoon tennis. *Idea: Start a last-day-of-school tradition to wrap up the year.*

## **COVID-19 UPDATES & REMINDERS**

---

- If your student is awaiting a COVID 19 test or test results, please do not send your student to school until you receive the test results.
- If someone in your household is awaiting test results, please do not send your student to school.
- If your student has a fever, chills, cough, shortness of breath, difficulty breathing, muscle or body aches, unusual headache, diarrhea, nausea or vomiting, sore throat, new loss of taste or smell, congestion, or a runny nose please do not send your student to school.
- If your Eules Junior High student or another school-aged student in the household is on quarantine, please do not send your student to school.
- If your student is a virtual student, that comes to campus for athletics and is on quarantine, please do not send your student to school.

Not following these protocols affects many students and families who are doing their best to keep those around them healthy. Please do your part to help us keep students in school.

# TRiO

TALENT SEARCH

Is your student interested in going to college or trade school after high school? TRIO Talent Search is a federally funded program, that began in the HEB ISD in September of 2006. We help students prepare for college or trade/vocational school. We focus on topics such as college information, career readiness, financial aid, financial literacy, goal setting, time management and so much more.

We are here to help you with college enrollment, academic achievement, and the financial aid process. We also offer college campus tours and field trips in the summer. If you are interested in your child joining this group which meets during the school day, please have them fill out the form:

WORKSHOP & TRYOUT MAY 15  
SIGN UP AT  
[WWW.TROJANSWIMMING.ORG/TRYOUT](http://WWW.TROJANSWIMMING.ORG/TRYOUT)

Workshop is free | No experience required

Hello Future Trinity High School Parents and Students!

My name is Coach Gillum and I'd like to personally invite in-coming 9th and 10th graders to consider joining the Trinity High School Cross Country Team! Yes, 9th graders can be part of a Trinity High School team! An affordable distance running sport, Cross Country is easy to join! When you sign up, you will automatically become a member of the team, even if you have never done it before! Our practices are in the mornings before school at 6:45AM so we do not interfere with most other activities and classes on campus. In fact, you don't even have to be in the "Cross Country Class" period because of the before school practices. This allows you more opportunities to take classes that you need while still participating in an extracurricular activity! Make sure to read the 9th grade participation information that is linked at the bottom of this page.

Cross Country is both a team and individual sport. Practices and the meets are outside! This is a nice way to participate safely in a school activity. One of the best reasons to join Cross Country is that you get to be part of the well-respected Trinity Athletic Program!

Finally, Cross Country is a no-cut sport, meaning there are no "try-outs." If you are academically eligible, you are on the team! The only requirements for students are to be at all Trinity team practices, go to meets, and to maintain eligibility. You will have to complete some required participation forms and have a current physical on file at the school, but that's it!

Use this sign-up link to join today!
