

THE STALLION STAMPEDE

The latest news and updates from Euless Junior High

Thursday evening we had 7th grade soccer games at Central Junior High and 8th grade soccer games at Pennington Field. Pictured above is the 8th grade girls team, who won 4-0 against Bedford. Their coach Alicia Reyes shared that "the girls did an awesome job! I am very proud of how they worked together and kept hustling the entire game."

Amazing work, Stallions!

7th Grade B Team score was 1-1! They tied! Their coach Haley Patterson shared the following:

"I am very proud of the hard work and effort put in by the B team girls. They have drastically improved from our first game to now! I am excited about our last game on Tuesday! Annabelle Moreno really stood out on defense! She rocked it and helped us keep a lot of balls from scoring position! Debora Luna and Lauren Caston played great offense and put us in a position to go to goal a lot. Lauren Caston scored her first goal of the year!

I am very proud of this group and appreciate all of the effort they are giving me and the game of soccer!"

MIDDLE YEARS

Talk one-on-one

“It’s not always easy to listen to my seventh grader when his little brother and sister are running around. An article I read reminded me that even when kids get older, they still need one-on-one time with their parents. So I started looking for opportunities to spend time alone with Ryan while the younger ones nap or after their bedtime. He doesn’t always take me up on it, but when he does, I’m able to give him my undivided attention.”

FOR HEB ISD STUDENTS**

To All HEB ISD Grade 6-12 Parents and Families:

This message includes information about **OPTIONAL** COVID-19 vaccination opportunities for HEB ISD students age 12 or older.

The FDA and CDC have now authorized the COVID-19 vaccine from Pfizer for use with adolescents ages 12 and older. This message includes information about local vaccination opportunities we are currently aware of, through Star Wellness, Texas Health, and Tarrant County Public Health.

All three providers have already provided vaccinations for many of our staff and students. Each vaccine provider's process can vary, but these requirements are generally true for each opportunity:

- Students must be at least 12 years of age to receive this vaccination and cannot have had another vaccination in the past 14 days (flu, tetanus, etc.). Some providers may have additional restrictions.
- A parent or guardian must attend each vaccination with their student. Some vaccination providers may require the student's birth certificate or other documentation -- please check with the provider for questions about document requirements.
- If the student has health insurance, he or she should bring his or her health insurance card. (If the student is not insured, the vaccination will still be free of charge.)
- In most cases, you will receive your second dose of the vaccine through the same provider as your first dose.

Star Wellness - COVID-19 Vaccine Opportunity

Parents or guardians may contact Star Wellness directly to arrange a vaccination opportunity for students age 12 or older.

Parent must be present. Vaccine recipients cannot be pregnant or have had any other vaccine in the past 14 days (flu, tetanus, etc.). Anyone interested needs to call Star Wellness to get on the list for the day that works best for them. They need to bring an ID and insurance card if they have insurance. COVID shots are free for everyone, even those without insurance. Please call Star Wellness at 817-571-6425 for more information.

- Location: 451 Westpark Way, Ste 1, Euless, Texas 76040
- Hours: Call Star Wellness to schedule -- 817-571-6425. Next week, times are generally available Monday-Thursday afternoons and Friday morning.

All individuals under the age of 18 must be accompanied by a parent or guardian in order to receive the vaccine at a Texas Health Community Vaccine Clinic. In addition to students, vaccines are available to parents and other family members.

Walk-Ins are welcome or you may skip the line and expedite your visit by scheduling your FIRST dose of the COVID-19 vaccine.

We help students prepare for college or trade/vocational school. We focus on topics such as college information, career readiness, financial aid, financial literacy, goal setting, time management and so much more.

We are here to help you with college enrollment, academic achievement, and the financial aid process. We also offer college campus tours and field trips in the summer. If you are interested in your child joining this group which meets during the school day, please have them fill out the form:

Hello Future Trinity High School Parents and Students!

My name is Coach Gillum and I'd like to personally invite in-coming 9th and 10th graders to consider joining the Trinity High School Cross Country Team! Yes, 9th graders can be part of a Trinity High School team! An affordable distance running sport, Cross Country is easy to join! When you sign up, you will automatically become a member of the team, even if you have never done it before! Our practices are in the mornings before school at 6:45AM so we do not interfere with most other activities and classes on campus. In fact, you don't even have to be in the "Cross Country Class" period because of the before school practices. This allows you more opportunities to take classes that you need while still participating in an extracurricular activity! Make sure to read the 9th grade participation information that is linked at the bottom of this page.

Cross Country is both a team and individual sport. Practices and the meets are outside! This is a nice way to participate safely in a school activity. One of the best reasons to join Cross Country is that you get to be part of the well-respected Trinity Athletic Program!

Finally, Cross Country is a no-cut sport, meaning there are no "try-outs." If you are academically eligible, you are on the team! The only requirements for students are to be at all Trinity team practices, go to meets, and to maintain eligibility. You will have to complete some required participation forms and have a current physical on file at the school, but that's it!

Use this sign-up link to join today!
